	11:40 AM to 1:00 PM	Skilling Certifications and global Certificates	Dr. A Srinath, Dean (Skill Development & Student Progression)

Day-1 (31-01- 2024)

Welcome Address by Principal Academic Staff College.

1.Dr.V. Sreekanth, Dean F&SA

The dean of faculty and staff affairs, Dr. V. Srikanth, spoke to the faculty about the university's support services for them as well as about their health, safety, and welfare. In the form of a faculty appraisal matrix, he also went into further detail about faculty evaluation. The instructors found the workshop to be very helpful because it introduced them to the campus and the rules for self-improvement.

2.Dr.B.T.P.Madhav, Additional Dean (R&D)

Dr.B.T.P. Madhav, Addl. dean of research and development, gave a lecture to the faculty on the university's R&D policy. He went on to explain that the goal of the research policy is to encourage a lively research environment among academics and researchers. By offering all the facilities required, the institution encourages its staff and researchers to conduct their research in an efficient manner.

All departments within the university have well-established research facilities, and the majority of the faculty members hold PhDs and are actively engaged in a variety of research fields. Numerous scholars are also conducting research at the institution. A variety of research was also presented throughout the FDP, including academic, funded, internal, extramural, extension, and incubation research as well as IPR and entrepreneur development and innovation. Additionally, Dr. Madhav stressed that the university has a different motive on incentives for researchers who publish their research work in reputed journals.

Day-2 (01-02-2024)

1. Dr.V. Rajesh, Dean (Planning & Development)

Dr. V. Rajesh, dean of planning and development, gave a lecture to the faculty about the university's physical infrastructure. He explained that in order to operationalize the different programs and activities of the university, the Planning and Development Division develops both short- and long-term plans, policies, and procedures. The Division is headed by a Dean (Planning and Development) and six Associate Deans who oversee different departments along with a

variety of Heads and support personnel. The Planning & Monitoring Board (PB), a formal body of the organization Deemed to be University, and its Standing Committee are served by the Division as their secretariat. The primary planning body of the institution considered to be a university will be the Planning & Monitoring Board, which will also be in charge of keeping an eye on the institution's development programs.

2. Sri. Hari Kiran Vege, Additional Dean Academics

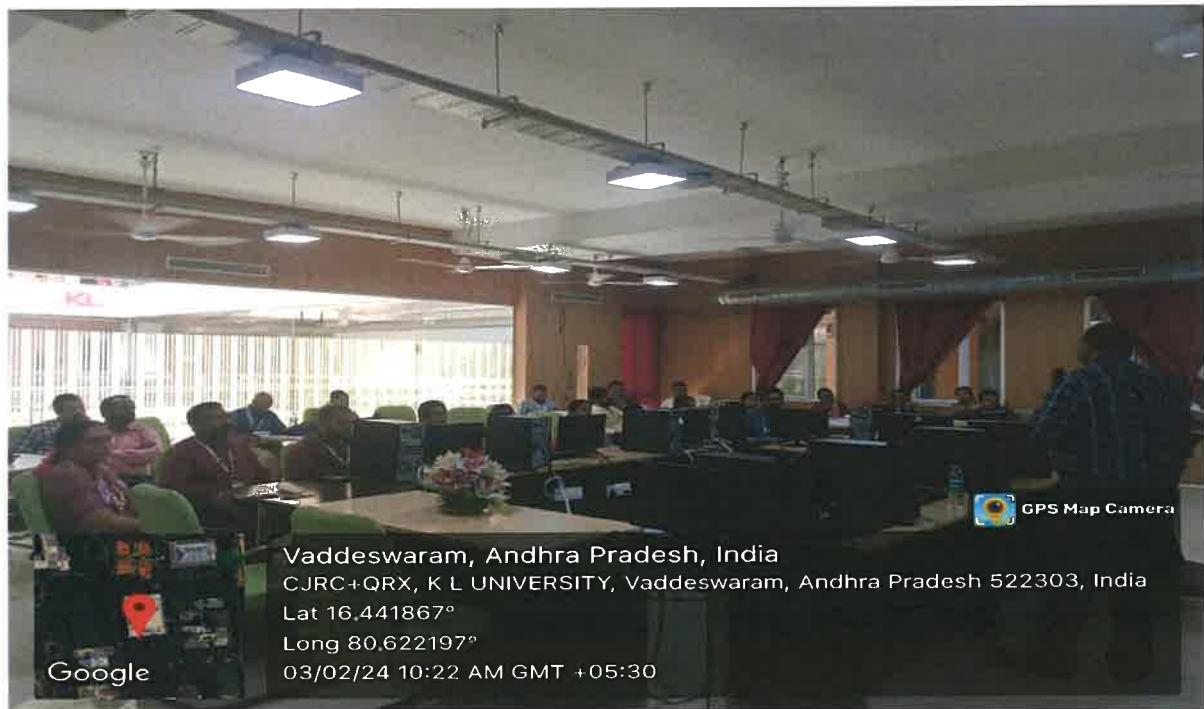

Dean of Academics (Addl), Sri. Hari Kiran Vege, spoke to the faculty about academic excellence and student-centered learning. "Student-centered education" is an educational approach that centers the learning process around the needs of the individual student. Instead of just imparting knowledge to students, teachers function as guides or facilitators for those who are actively involved in their own learning. This approach focuses a lot of emphasis on tailoring instruction to the individual needs, interests, and skills of every student in order to support their ability for self-directed learning as well as their sense of agency and autonomy.

Day-3 (02-02- 2024)

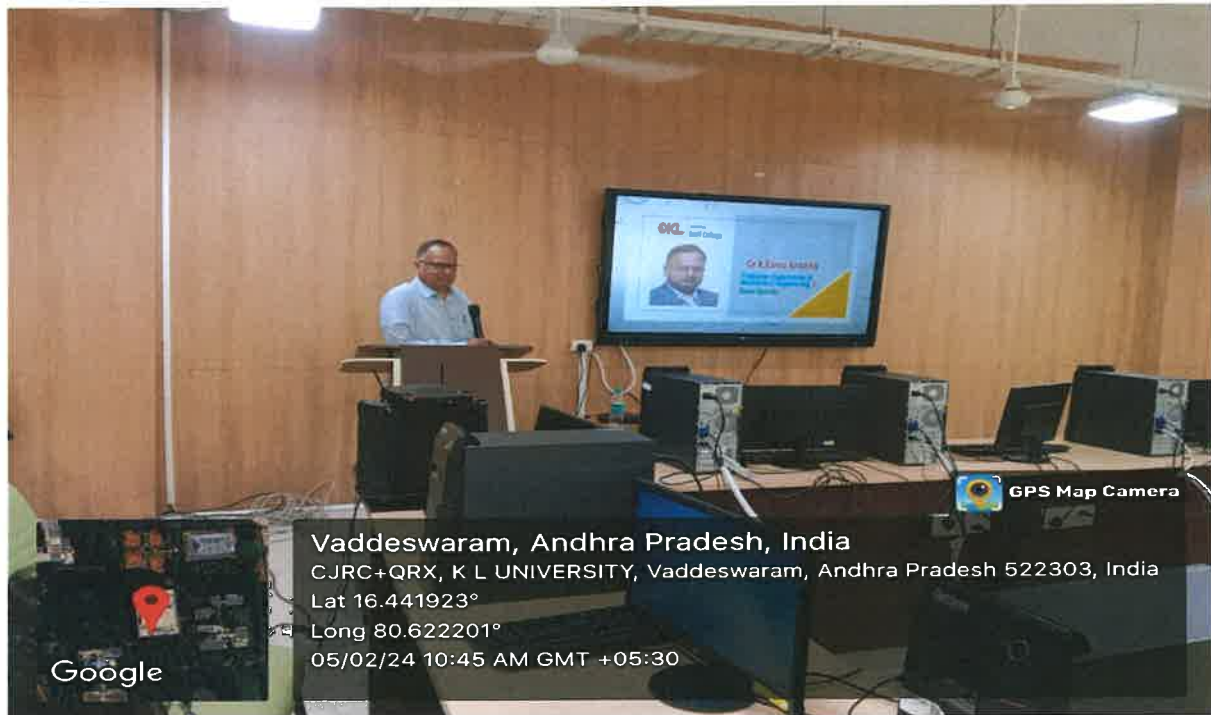

1. Dr.N.B.V.Prasad, Dean (International Placements & Internships)

Dr. N.B.V. Prasad, Dean, Placements said that the university has been successful in placing all of the registered and qualified students through its offices for employment over the past 12 years. Students are given the chance to work in industries throughout course work as part of an internship program, which adds to their industry experience for future job placements and entrepreneurial chances. Programs for final-year students to take courses abroad and intern during the summer are also available.

Day -4 (03-02-2024)

Dr.K. Rama Krishna, Dean (Quality)

The faculty was briefed on KLEF's quality policy by **Dr. K. Rama Krishna, the dean of quality**. The university is committed to providing high-quality instruction for students' holistic

development in order to satisfy the ever-evolving demands of business, industry, and society. In order to achieve the fundamental principles of higher education and research, the university prioritizes the use of rubrics, processes, standards, metrics, and key performance criteria. This

makes the university an excellent learning environment. The significance and functions of KLEF's Internal Quality Assurance Cell (IQAC) were also discussed in the FDP.

Day-5 (05-02-2024)

2. Dr. M. Kishore Babu, Dean M&H and IR

Dr. M. Kishore Babu, dean of MHS & international relations and global certifications division, spoke to the university's faculty about international relations. The point of contact for foreign admissions is KLEF's Office of International Relations. Every year, in July or August, international students will be admitted at the start of the academic year. However, under the Exchange Program, students may also be admitted with the requirement of a Memorandum of Understanding. He went into further detail regarding the faculty exchange and worldwide partnership.
