Counselors of Y22 for CODE TANTRA.xlsx;

Ref: KLEF/RO/ASC/CRT/2023-24

27th April 2024

Orders of the Hon'ble Vice-Chancellor dt. 27-04-2024

CIRCULAR

Sub: One day training session on "**Codetantra**" for the Counselors of Y22 batch B.Tech students of KLEF, Vaddeswaram Campus – Communication – Reg.

Ref: Letter received from Dr. M. Venkata Narayana, Director-CRT and forwarded by Principal, Academic Staff College.

This is to inform that Campus Recruitment Training (CRT) Division, in association with Academic Staff College KLEF, will be organizing a one day training session on "Codetantra" platform for the Counselors of Y22 batch B.Tech students of KLEF, Vaddeswaram Campus on 29.04.2024 (Monday), as detailed below:

Date : 29.04.2024 (Monday)
Timings : 10.00 AM to 1.00 PM
Venue : R101, R&D Block, 1st floor

Resource person: Mr. Amitesh Reddy matta, Business Development Manager, CodeTantra Tech Solutions Pvt Ltd.

It is mandatory that the earmarked Counselors of Y22 batch (as per the list enclosed) attend the session.

All the Deans, Principals, HODs and Functionaries concerned from KLEF-Vaddeswaram Campus are requested to ensure participation of earmarked Counselors accordingly.

List of Counselors required to attend is attached herewith.

Report on “One-day training session on “Codetantra” platform”

Date: 29-04-2024 (Monday)

Time: 10.00AM to 5.00PM

Venue: New Seminar Hall

Resource Person: Mr. Amitesh Reddy matta, Business Development Manager,
CodeTantra Tech Solutions Pvt Ltd.

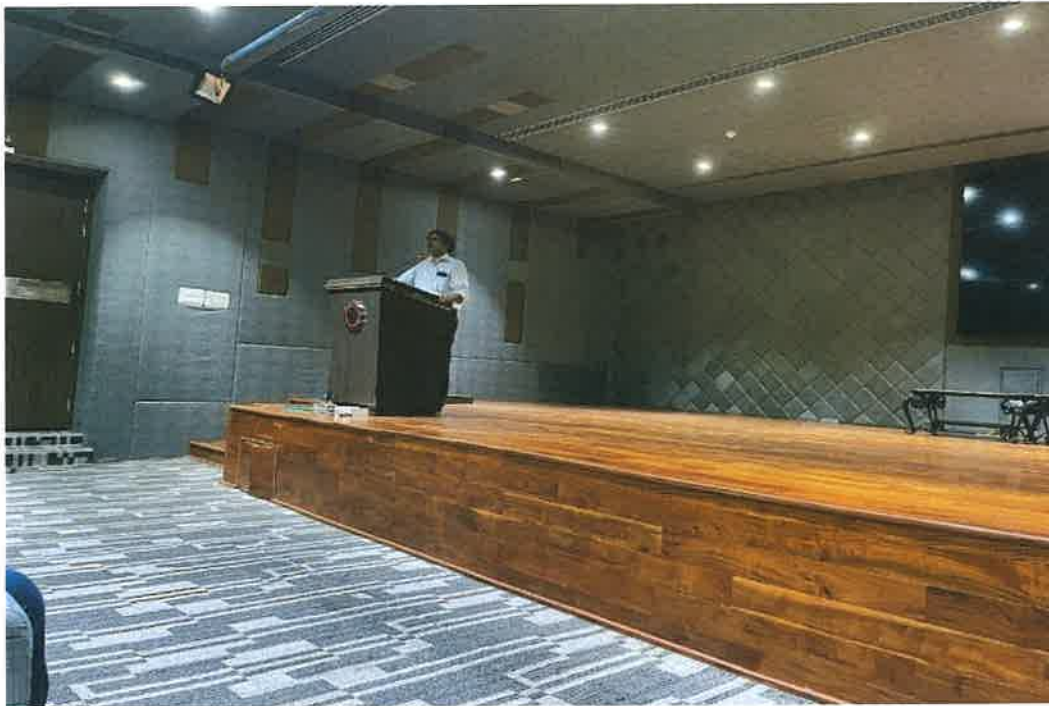

CodeTantra's unique intelligent interactive learning platform guarantees that the learner will be able to write code on completion of the learning program. The platform handholds the student by teaching one simple concept at a time, followed by numerous drilling exercises till the concept is transformed into a skill. The platform's automated learn-code-and-learn technique builds confidence and by continuous and incremental application of concepts. The best teaching practices recommended by Bloom's Taxonomy have been employed in building this unique Learning-by-Doing platform.

Keeping in view of the significance of the Codetantra platform and its benefits to students, a **“One-day training session on “Codetantra” platform”** has been conducted by CRT wing in association with the Academic Staff College (ASC) for the Y22 counsellors so that the faculty can monitor and guide the students to use the Codetantra platform effectively. The training session aimed to equip faculty members with the necessary skills and knowledge to effectively use the Codetantra platform, thereby enabling them to better support and train students. Codetantra is a comprehensive platform for coding practice, assessments, and collaborative learning, which integrates various tools to facilitate an engaging and efficient learning experience.

At the beginning of the session, Dr. M. Venkata Narayana, Director, Campus Recruitment addressed the gathering of the objective behind organizing the one-day training session on Codetantra for the faculty. He said that Faculty should have knowledge of the Codetantra platform for several important reasons, and their guidance can significantly enhance the learning experience for students in terms of Effective Use of Platform Features, Enhanced Teaching Strategies, Better Student Support, Assessment and Evaluation etc.,

By having thorough knowledge of the Codetantra platform, faculty can guide the students through orientation, assignment and project guidance, interactive lessons, personalized feedback, monitoring the student

progress, conducting assessments etc. With the understanding of Codetantra, faculty can enhance their teaching effectiveness, provide better support to students, and ensure a more engaging and productive learning environment.

Dr.M. Venkata Narayana, Director, CRT, addressing the gathering

The resource person addressed the faculty on Overview of the Codetantra platform, Creating and managing courses, Designing and assigning quizzes and assignments, Using the interactive coding environments, Best practices for guiding students, Addressing common student queries, Monitoring student progress, Automated grading features, Providing detailed feedback, Analyzing student performance data and Common technical issues and solutions.

The session also included,

Interactive Sessions: Faculty members participated in hands-on activities, which helped in better understanding the practical aspects of using Codetantra.

Real-Time Problem Solving: Live troubleshooting sessions addressed common problems, ensuring that faculty felt confident in resolving issues independently.

Resource Sharing: Participants were provided with comprehensive manuals and video tutorials for future reference.

Resource person Amitesh addressing the participants

Overall, the feedback from the participants was overwhelmingly positive. Faculty members appreciated the detailed walkthroughs, the practical tips shared, and the opportunity to ask questions in real-time. Suggestions for future training included more advanced sessions focusing on specific features and use cases.

The one-day training session was successful in meeting its objectives. Faculty members are now better equipped to use Codetantra, which will enhance their ability to support and train students. Continued support and advanced training sessions will further solidify their proficiency with the platform, ultimately benefiting the student learning experience.
