Ignite FDP JULY 2023.xlsx;

Ref: KLEF/RO/DTI/2023-24

Date: 31-07-2023

Orders of the Hon'ble Vice-Chancellor dt. 31-07-2023

CIRCULAR

Sub: Training and courses to be run in collaboration with Wadhwani Foundation – Reg.

Ref: 1. Letter dt. 31-07-2023 from Dr. K. Narasimha Raju, HoD-DTI

2. Orders of Hon'ble Vice-Chancellor dt. 31-07-2023

As per the Orders of Hon'ble Vice-Chancellor and based on the recommendations of the Additional Dean (Academics), Centre for Innovation, Incubation & Entrepreneurship (CIIE) and Academic Staff College (ASC) in collaboration with Wadhwani Foundation is organising a Faculty Development Program on Ignite program. Ignite program is the flagship Certification Program of Wadhwani on Venture Management and Entrepreneurship.

Details of the FDP:

	Participants	Duration	Venue
FDP on Ignite program	All the departments both Engineering and MHS departments of both Vijayawada and Hyderabad campuses	05/08/2023 to 07/08/2023	Offline -Venue: S713

All the Faculty in the attached list must participate in the program.

The other faculties who are interested may nominate themselves through the link below.

<https://forms.office.com/r/pcb4qARDJY>

All the Departments both Engineering and MHS departments of both Vijayawada and Hyderabad campuses must ensure to nominate the faculty proportional to their strength. This will facilitate faculty to be trained to handle Innovation Management and IT Venture Management (ITVM) courses. That is a compulsory course for all the departments across Engineering and MHS programs in the University from Y23 Batch.

Report on Faculty Development Program on Ignite Program

Resource persons:

1. Dr R. Sujatha, Principal Educator, Wadhwani Foundation
2. Mr Naved Ahmad, Regional Head (South), Wadhwani Foundation
3. Ms Vishnupriya Vishnuprasad, Program Manager, Wadhwani Foundation

Date: 5-7 August 2023

Event Coordinator:

1. Dr. Prashant Kumar Shukla
2. Dr. G. Suresh Kumar
3. Dr. Ashwin Raut

Details of the program:

The Wadhwani IGNITE Program is a comprehensive entrepreneurship initiative designed to guide and empower startup founders on their journey from conceptualization to investment readiness. Rooted in experiential learning principles, this program aims to provide entrepreneurs with a structured pathway that takes their startups from the stage of a Minimum Viable Concept (MVC) to the creation of an Investable Pitch Deck (IPD). By integrating theory with hands-on practice, the program equips participants with the knowledge, skills, and strategic mindset required to navigate the challenges of building a successful startup.

Key Objectives of the Program:

Faculty Skill Enhancement: The program aimed to enhance the skill set of faculty members, equipping them with the necessary capabilities to navigate entrepreneurship development effectively.

Product-Market Journey Understanding: The program sought to deepen faculty members' understanding of the intricate dynamics involved in the journey from product creation to successful market positioning.

Guidance in Student Ventures: A key focus of the program was to empower faculty members with the knowledge and tools to guide and mentor students in their pursuit of developing viable and successful ventures.

Resource person, Dr R. Sujatha interacting with the participants

Program Structure and Learning Methodology:

At the core of the program's objectives lay the active participation of faculty members in shaping the entrepreneurial trajectory for students. Throughout the workshop, faculty members were encouraged to facilitate diverse activities aimed at honing students' entrepreneurial skills. The guidance followed a structured approach leveraging the Wadhwani template, encompassing problem identification, persona creation, value proposition articulation, and the lean business canvas model.

Participants involved in group activities

Participants involved in group activities

Participants involved in group activities

Mr Naved Ahmad addressing the participants

1. **Empowering Faculty as Catalysts:** Faculty were empowered to guide students through thought-provoking activities to nurture entrepreneurial thinking. Hands-on engagement allowed students to comprehend the intricacies of real-world entrepreneurship under the tutelage of experienced educators.
 2. **Wadhwani Template as a Framework:** The Wadhwani template served as a structured framework to steer students towards conceptual clarity. Faculty members facilitated students in identifying and framing a concise and impactful problem statement.
 3. **Diving into Persona Crafting:** Faculty facilitated sessions on persona creation, enabling students to comprehend their target audience's needs, preferences, and pain points. This exercise encouraged students to immerse themselves in the user's perspective, a crucial skill for entrepreneurial success.
 4. **Strategizing Value Proposition:** Faculty guided students in crafting a compelling value proposition that effectively communicated the unique benefits of their entrepreneurial endeavors. By translating ideas into tangible benefits, students learned to resonate with potential customers.
 5. **Lean Business Canvas Exploration:** Through the lean business canvas model, faculty directed students in crafting comprehensive business models that integrated key components like revenue streams, customer segments, and distribution channels. This exercise offered a bird's-eye view of their business plans, facilitating strategic decision-making.
- **Outcome: Investment-Ready Startups**

At the culmination of the program, participants are equipped with a well-defined and refined business model, a compelling value proposition, a validated MVP, and a strategic go-to-market plan. Armed with this comprehensive toolkit, entrepreneurs are better positioned to pitch their startups to potential investors with confidence and credibility. The program's emphasis on experiential learning ensures that founders not only understand theoretical concepts but also have the practical skills to execute effectively in the competitive startup landscape.

In summary, the Wadhwani IGNITE Program stands as a dynamic entrepreneurship initiative that guides startup founders through a journey of experiential learning, enabling them to transform their ideas into viable, scalable, and investment-ready ventures.
