Report on “Training on ERP modules” for the Principals, HoDs, Dy. HoDs and Alt. HoDs of KLEF Vaddeswaram campus.

Resource Person: Dr. A. Srinath, Dean (Skill Development & Student Progression)

Date : 22-10-2024 (Tuesday)

Timings: 2:00 PM to 5:00 PM

Venue: New Seminar Hall.

A training session on ERP (Enterprise Resource Planning) modules was organized for the Principals, HoDs, Dy. HoDs, and Alternate HoDs of KLEF, Vaddeswaram campus on October 22, 2024. This session was conducted under the aegis of the Academic Staff College, spearheaded by Dr. A. Srinath, Dean of Skilling & Progression.

The primary aim of the session was to equip the attendees with a comprehensive understanding of ERP systems and their application in streamlining academic and administrative processes at KLEF. The ERP platform has been integrated into the university's operational framework to enhance efficiency, improve decision-making, and foster a culture of transparency and accountability.

Session introduction by Dr.I. Govardhani, Principal, Academic Staff College

Dr. I. Govardhani, Principal, ASC began the session with an overview of the ERP system, highlighting its significance in the academic ecosystem and the importance of conducting the training on updated features of ERP to the administrators.

Dr.A.Srinath, Dean-Skilling addressing the participants

Dr. Srinath elaborated on the updated features of various modules, including:

Student Information Management:

Streamlining admissions, attendance, grading, and student progression tracking.

Faculty and Course Management:

Tools for effective course scheduling, faculty workload management, and academic monitoring.

Examination and Evaluation:

Automated processes for conducting examinations, result publication, and data analysis.

Financial and Administrative Modules:

Features for fee management, budget planning, and administrative approvals.

Dr. Srinath emphasized the importance of adopting ERP solutions for minimizing redundancy and enhancing real-time data access for better academic planning.

The training also included live demonstrations of key modules.

Outcomes:

- Enhanced understanding of ERP functionalities among administrators.
- A strategic roadmap for implementing ERP across various departments.
- Commitment to leveraging technology for operational excellence at KLEF.

The session was well-received, with participants appreciating the structured approach and clarity of explanations provided by Dr. Srinath. The Academic Staff College expressed its gratitude to all attendees for their active participation and reaffirmed its commitment to facilitating such skill-enhancing initiatives.
