Day-1- 22-11-2024

Welcome address by Dr. Govardhani, Principal, Academic Staff College (ASC)

Resource Person: Prof Hari Kiran Vege, Additional Dean (Academics)

Resource Person: Prof Hari Kiran Vege, Additional Dean (Academics), spoke to the faculty about academic excellence and student- centered learning. “Student Centered education “is an educational approach that centers the learning process around the needs of the individual student.

Instead of just importing knowledge to students, teachers function as guides or facilitators for those who are actively involved in their own learning. This approach focuses a lot of emphasis on tailoring instruction to the individual needs, interests and skills of every student to support their ability for self- directed learning as well as their sense of agency and autonomy.

The second session of the day was handled by Dr.K.R.S.Prasad, Incharge Dean, Student Affairs. **Introduction:** Holistic Student Development and support services are fundamental to preparing students not only for academic success but also for the challenges and opportunities that await them in the real world. Educational institutions that prioritize the holistic development of their personal and professional lives. As the education landscape continues to evolve, commitment to holistic student development remains a cornerstone for institutions dedicated to nurturing the leaders of tomorrow.

Dr. K.R.S. Prasad, In-charge, Dean (Student Affairs).

Introduction: Holistic Student Development and support services are fundamental preparing students not only for academic success but also for the challenges and opportunities that await them in the real word. Educational institutions that prioritize the holistic development of their personal and professional lives. As the education landscape continues to evolve, the commitment to holistic student development remains a cornerstone for institutions dedicated to nurturing the leaders of tomorrow

Emotional and Mental Well-being:

The Dean is responsible for providing accessible mental health resources, including counseling services and stress management programs, to help students cope with challenges such as anxiety and academic pressure.

Career Guidance and Development:

Career support is vital for student success. The Dean ensures career counseling, internships, workshops, and networking events are available to help students explore career options and improve employability skills.

Social and Cultural Engagement:

Encouraging social and cultural engagement through clubs, events, and volunteer opportunities fosters a sense of community and belonging, promoting leadership and intercultural exchange.

Physical Well-being:

Promoting physical health through access to fitness centers, sports, and wellness programs helps students stay active, reduce stress, and maintain energy for their academic and personal lives.

Support Services:

The Dean oversees essential support services, including academic advising, financial aid counseling, and mentoring, ensuring students receive the help they need to succeed.

Holistic Student Development:

The ultimate goal of the Dean of Student Affairs is to support the holistic development of students. This involves nurturing not only their academic and professional growth but also their emotional, physical, and social well-being. By offering a range of programs and services that support all aspects of student life, the Dean helps students develop into well-rounded individuals capable of navigating both their academic journey and future careers. Holistic development encourages self-awareness, emotional intelligence, and the ability to adapt to changing circumstances—skills that will serve students well in both their personal and professional lives.

Conclusion: The role of the Dean of Student Affairs is to create a comprehensive support system that addresses the diverse needs of students. This includes prioritizing their emotional and mental well-being, career development, social engagement, physical health, and access to essential support services. Through these efforts, the Dean ensures that students are well-equipped to succeed academically and personally**.**

Day-2-23-11-2024.

Resource person Dr. K. Rama Krishna Dean (Quality)

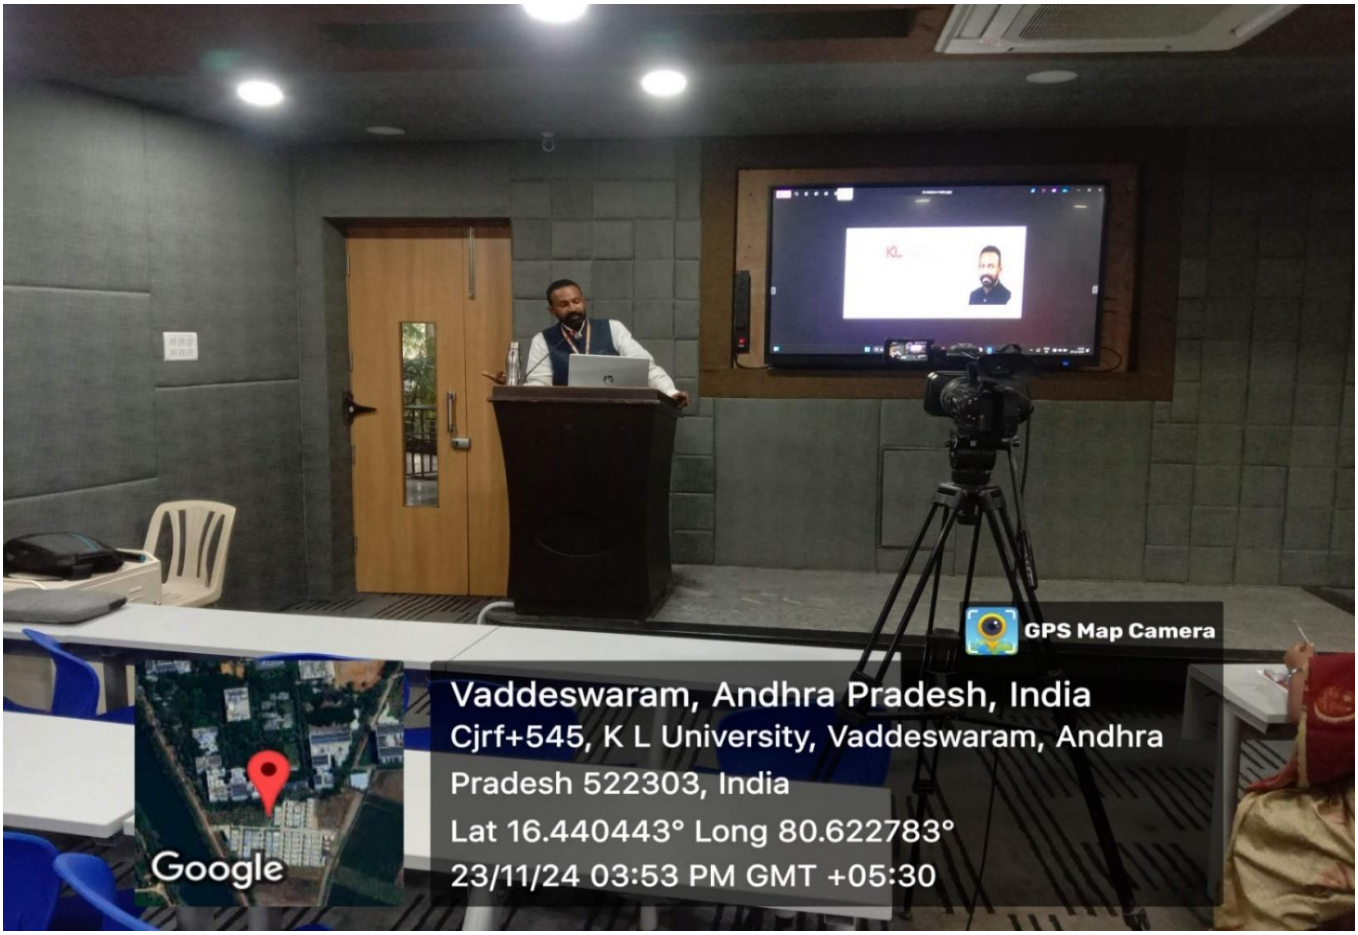
The faculty was briefed on KLEF's quality policy by **Dr. K. Rama Krishna Dean (Quality).** The university is Committed to providing high-quality instruction for student's holistic development in order to satisfy the ever-evolving demands of business, industry, and society. In order to achieve the fundamental principles of higher education and research, the university prioritizes the use of rubrics, processes, standards, matrix's and key performance criteria. This makes the university an excellent learning environment.

The significance and functions of KLEF's Internal Quality Assurance Cell (IQAC) were also discussed in the FDP.

Dr. M. Kishore Babu, Dean of (MHS) and Global Certifications division, spoke to the university's faculty about international relations. The point of contact for foreign admissions is KLEF's Office of International Relations. Every year, international students will be admitted at the start of the academic year. However, under the Exchange Program, students may also be admitted with the requirement of a Memorandum of Understanding. He went into further detail regarding the faculty exchange and worldwide partnership.

The key objectives and benefits of Global partnership and faculty exchange include,

- Encourage academic and cultural exchange.
- Support professional development.
- Foster international research collaborations.
- Enhance curriculum with global perspectives.
- Exposure to diverse academic environments.
- Strengthened institutional ties.
- Broader opportunities for students and faculty alike.



Resource Person: Dr. M. Kishore Babu, Dean (MHS)

Participants listening to the lecture.

Day-3- 25-11-2024:

Resource Person Dr.B.T.P.Madhav, Additional Dean (R&D), KLEF.

Session was handled by Dr. B.T.P Madhav, Additional Dean (R&D), KLEF, which covered how faculty can create their research profile in ERP, various tabs in research profile were clearly explained Research policy of the institute was also explained.

Key Points Covered:

Creating a Research Profile in ERP:

- Dr. B.T.P. Madhav explained the step-by-step process for faculty members to create their research profiles in the ERP system.
- The session highlighted how faculty can input their personal research details, publications, and ongoing projects, thus making their academic contributions visible and accessible for future collaborations.

Tabs in the Research Profile:

He clearly outlined the different sections or tabs within the research profile, such as

- **Personal Information:** Basic details of the faculty member, including their qualifications and research interests.
- **Publications:** A space for listing research papers, articles, and other scholarly work.
- **Research Projects:** Faculty can detail ongoing or completed research projects, including funding sources and collaborators.
- **Conferences & Workshops:** A section to record any conferences, seminars, or workshops attended or organized by the faculty.
- **Collaborations:** Information on research collaborations with other institutions or industries.

  This structure enables faculty to maintain an organized record of their academic and research achievements, which can be utilized for performance evaluations, funding applications, and career advancement.

Key points of the policy discussed include:

- **Research Funding:** The policy highlights available internal funding opportunities for faculty to support their research initiatives.
- **Collaboration and Networking:** Encouraging faculty to collaborate with both national and international institutions to enhance the quality and impact of their research.
- **Ethics and Integrity:** Emphasizing the importance of adhering to ethical standards and guidelines in all research activities.
- **Publication and Dissemination:** The policy promotes the publication of high-quality research in reputed journals and encourages faculty to present their work at national and international conferences.

Document Publications: Faculty can upload and maintain a record of their academic publications. This may include:

- Journal articles
- Conference papers
- Books or book chapters
- Other scholarly articles

The system may also allow integration with citation databases (e.g., IEEE, Scopus) to auto-fill citation counts and references.

Update Patents, Innovations, and Research Impact: Many ERP systems allow faculty to record patents or innovations resulting from their research. This section typically includes:

- Patent titles
- Inventor(s)
- Patent numbers

Additionally, faculty members can track the impact of their research, including awards, recognitions, or media coverage.

Achievements:

- Faculty members gained a clear understanding of how to maintain and update their research profiles in the ERP system, making it easier for them to track and showcase their academic work.
- A thorough understanding of KLEF's research policy, encouraging faculty to align their research efforts with institutional goals and standards.

Future Plans:

- **Training Sessions:** More training sessions will be organized to ensure all faculty are well-versed in using the ERP system for research management.
- **Research Grants:** The institute plans to introduce more research funding options to support innovative faculty research.
- **Policy Updates:** Regular updates to the research policy to align with new academic and industry trends.

Conclusion:

The session conducted by Dr. B.T.P. Madhav was highly informative and provided valuable insights into creating a research profile and understanding the institute's research policy. These efforts will help foster a strong research culture at KLEF and enhance faculty members' contributions to academic excellence.

Resource Person: Dr. V. Srikanth, Dean (F&SA).

The dean of faculty and staff affairs, Dr. V. Srikanth, Dean (F&SA). Spoke to the faculty about the university's support services for them as well as about their health, safety and welfare. In the form of a faculty appraisal matrix, he also went into further detail about faculty evolution. The instructors found the workshop to be very helpful because it introduced them to the campus and the rules for self-improvement.

Participants listening to the lecture.

Day-4-26-11-2024

This Session highlights the initiatives taken under the Student Progression & Skill Development program at KLEF, which focuses on the development of students in areas such as hobbies, sports, academics, behavioral and life skills, and technical proficiency.

Key Areas:

Hobbies & Interests:

- Encouraging students to participate in extracurricular activities like music, arts, and literature to enhance creativity and well-being.

Sports & Physical Activities:

- Providing various sports programs (cricket, football, badminton, etc.) that promote teamwork, discipline, and physical fitness.

Academics:

- Ensuring strong academic support systems to help students excel in their courses through mentoring and regular academic guidance.

Resource Person: Dr. A Srinath Dean (Student Progression &Skill Development).

Behavioral & Life Skills:

- Offering workshops to improve skills like communication, leadership, time management, and problem-solving.

Technical Proficiency:

- Providing training in technical skills like coding, software development, and emerging technologies to ensure students are industry-ready.

Achievements:

- Students have shown improved performance in both academics and extracurricular activities.
- Successful internships and placements in leading companies due to enhanced skills.

- Positive feedback from students and industry partners about the skill development initiatives.

Challenges:

- Balancing academic workload with extracurricular involvement can be challenging for some students.
- Ensuring equal access to all skill development opportunities.

Future Plans:

- Expand workshops and training in emerging technologies.
- Increase industry collaborations for better internship and placement opportunities.

Conclusion:

The Student Progression & Skill Development program at KLEF has successfully contributed to the holistic development of students. With continuous efforts, the program aims to prepare students for future challenges in both their careers and personal lives.

Participants listening to the lecture.

Day-5-27-11-2024

Dr. N.B.V. Prasad, Dean (International Placements & Internships) said that the university has been successful in placing all the registered and qualified students through its offices for employment over the past years. Students are given the chance to work in industry with experience for future job placements and entrepreneurial

opportunities. Programs for final -year students to take courses abroad and intern during the summer are also available.

Achievements:

- KLEF has successfully facilitated numerous international placements and internships in sectors such as technology, engineering, and business.
- The university has expanded its network of global industry partners, providing students with enhanced career prospects.

Dr.N.B.V Prasad, Dean, International Placements & Internships

Challenges:

- Some logistical challenges, including visa processing and travel restrictions.
- Intense competition for top-tier international placements.

Future Plans:

- Increase international partnerships to provide more placement opportunities.
- Improve preparatory workshops to equip students for competitive selection processes.

Conclusion:

The International Placements & Internships program at KLEF has made significant strides in preparing students for global careers. With continued expansion and strategic improvements, the program is expected to grow, benefiting both students and industry partners.

Participants at the program.

Resource Person: Dr. V. Rajesh, Dean (Planning &Development), KLEF.

The Session highlights the progress made in campus infrastructure, the improvements in facilities, and the plans to accommodate the growing needs of the student body and faculty while ensuring a modern, sustainable, and technology-enabled environment.

Key Areas of Focus:

Campus Expansion & Infrastructure Growth:

- KLEF has made significant strides in expanding its campus to meet the increasing student enrollment and evolving educational needs. New academic blocks, laboratories, and recreational facilities have been constructed to create a more conducive learning environment.
- The infrastructure is designed to provide modern amenities, such as Wi-Fi-enabled classrooms, seminar halls, and state-of-the-art laboratories.

Sustainable Infrastructure Development:

- The university is focusing on building sustainable and eco-friendly infrastructure, incorporating green building technologies and renewable energy sources.
- Efforts include the installation of solar panels, rainwater harvesting systems, and energy-efficient lighting across the campus to minimize environmental impact.

Upgradation of Laboratories & Research Facilities:

- Significant investment has been made in upgrading existing laboratories and creating new ones, particularly in fields such as civil engineering, computer science, and environmental studies.
- The development of research facilities for faculty and students has enhanced KLEF's capacity to support cutting-edge research in various disciplines.

Smart Campus & Technological Integration:

- KLEF has integrated modern technologies into the infrastructure, creating a "Smart Campus." This includes the implementation of digital classrooms, interactive whiteboards, and cloud-based learning management systems.
- The campus is also equipped with security surveillance systems, smart lighting, and centralized air conditioning for improved campus safety and comfort.

Hostels & Student Accommodation:

- In response to the growing demand, the university has expanded its hostel facilities, providing students with modern and comfortable living spaces.
- Hostels are equipped with Wi-Fi, recreational facilities, and round-the-clock security, ensuring a safe and conducive environment for students.

Sports & Recreational Facilities:

- To promote the holistic development of students, KLEF has developed sports infrastructure, including playgrounds for cricket, football, basketball, and tennis.
- Indoor sports facilities, such as a gymnasium and indoor courts, are also available for students' physical and mental well-being.

Campus Connectivity & Transportation:

- KLEF has worked on improving campus connectivity, providing transport services for students and staff, especially for those residing off-campus.
- The campus is well-connected with multiple transport options, including shuttle services, to ensure the safe and timely commute of students.

Achievements:

- **Infrastructure Growth:** Successful completion of multiple academic buildings, research labs, and student facilities.
- **Green Initiatives:** Implementation of solar power systems and water conservation methods, making the campus eco-friendlier.
- **Technology Integration:** Modern teaching and learning tools such as digital classrooms and cloud-based systems are now fully functional.
- **Sports Development:** Expansion of sports infrastructure and successful hosting of various intra- and inter-college sports events.

Participants at the program.

Conclusion:

Under the leadership of Dr. V. Rajesh, the Planning & Development department has made remarkable progress in transforming KLEF's campus infrastructure. The focus on sustainability, technology integration, and modern amenities has significantly enhanced the learning and living experience for students and faculty. Moving forward, KLEF will continue to invest in infrastructure development to provide a world-class environment for academic and personal growth.
