3. Dr. B. Chaitanya Krishna, Assoc. Dean, Academics

The Faculty Training Program on “**Curriculum Development and Evaluation Framework to Implement National Education Policy (NEP)**” was conducted from 17-12-2024 to 19-12-2024 at KLEF (KL Deemed to be University). Organized by the Academic Staff College, this three-day program aimed to equip the faculty with an in-depth understanding of the National Education Policy (NEP), focusing on how to develop and evaluate curricula that align with the policy’s vision and objectives.

The training was designed to help faculty members understand the key principles of NEP and to develop strategies for its implementation at the institutional level. The program featured expert lectures and interactive sessions providing a platform for participants to engage with the content and share ideas.

The main objectives of the faculty training program were:

- To introduce faculty members to the principles and guidelines of the National Education Policy (NEP) 2020.

- To help faculty understand the process of curriculum development and the significance of an evaluation framework in the context of NEP.
- To foster a collaborative approach in redesigning curricula that caters to the needs of students, industry, and society.
- To encourage faculty to adopt innovative teaching methods and assessments aligned with the NEP guidelines.

The program was led by two distinguished resource persons:

- **Dr. K. Rama Krishna**, Dean (Quality) at KLEF, who is an expert in academic quality assurance and has extensive experience in curriculum design and implementation.
- **Prof. Hari Kiran Vege**, Additional Dean (Academics) at KLEF, who has a rich background in academic administration and has been involved in designing educational strategies to enhance teaching, learning, and assessment processes.

Their combined expertise provided participants with a comprehensive understanding of the NEP and practical approaches to curriculum development and evaluation.

#### **Day-1- 17-12-2024: Inaugural Session & Introduction to NEP**

**Vice-chancellor, Dr.G.P.S Varma giving the inaugural address**

The first day of the training program began with the **inaugural address** by **Honorable Vice Chancellor, Dr. G. Pardha Saradhi Varma**, who set the tone for the sessions. Dr. Varma emphasized the importance of NEP in reshaping the educational landscape of India. He outlined how NEP 2020 aims to make education more holistic, flexible, and multidisciplinary.

- Followed by Vice-chancellor's address, **Dr. Rama Krishna, Dean-Quality** provided an overview of the NEP 2020, discussing its key principles such as flexibility, critical thinking, creativity, and the promotion of multidisciplinary learning. He explained how these principles should be integrated into the curriculum design process.

**Dr. Rama Krishna, Dean Quality addressing the faculty**

- **Prof. Hari Kiran Vege** shared insights into the **curriculum development framework**, elaborating on the importance of aligning curricula with the needs of students and industry, while adhering to the NEP guidelines. A Curriculum Development Framework provides a structured approach to designing, implementing, and evaluating educational programs.
- It ensures that learning experiences are coherent, relevant, and aligned with educational goals. He also elaborated on the key components like need for assessment, learning objectives, content selection, instructional strategies, assessment & evaluation, implementation, review & revision in the aspect of curriculum development framework.

**Prof. Hari Kiran Vege, Addl. Dean Academics addressing the participants**

### **Day-2-18-12-2024: Curriculum Development & Teaching Pedagogies**

- **Dr. Rama Krishna** continued his session by detailing the steps involved in curriculum design, including the identification of program objectives, defining learning outcomes, and structuring the course content. He emphasized the need to adopt an outcome-based education model and how it aligns with NEP.

**Dr. Rama Krishna, Dean Quality addressing the faculty**

- **Prof. Hari Kiran Vege** conducted an engaging session on **innovative teaching methodologies** and how to incorporate them into the curriculum. He introduced concepts such as flipped classrooms, project-based learning, and experiential learning, all of which are vital components of the NEP framework.

### Day-3-19-12-2024: Evaluation Framework & Implementation of NEP

**Dr.B. Chaitanya Krishna, Assoc. Dean Academics addressing the faculty**

2024/04/24 10:00 AM

The Faculty Training Program on “Curriculum Development and Evaluation Framework to Implement NEP” was a successful initiative that provided KLEF faculty with the knowledge and tools necessary to align their curricula with the National Education Policy. The program's focus on practical strategies for curriculum design, teaching methodologies, and assessment aligned perfectly with the NEP's vision of creating a flexible, holistic, and student-centric education system.
