Orders of the Hon'ble Vice-Chancellor dt. 22-01-2026

CIRCULAR

Sub: Conduction of One-Day Workshop under AICTE–DPS on “**Nanomaterials in Medicine: Present Status and Challenges**” on 24th January 2026 by Academic Staff College, KLEF, Vaddeswaram – Communication – Reg.

Ref: Letter dt. 21-01-2026 received from Dr. Radhika Rani Chintala, Principal, Academic Staff College, KLEF, Vaddeswaram campus.

This is to inform that the Academic Staff College and IQAC, KLEF in association with the KL College of Pharmacy, Department of Biotechnology and Department of Chemistry, is organizing a One-Day Workshop on “**Nanomaterials in Medicine: Present Status and Challenges**” under the **AICTE–Distinguished Professional Scheme (AICTE–DPS)**, as per the details given below:

Date: 24.01.2026 (Saturday)
Time: 9.30 AM to 5.30 PM
Venue: Peacock Hall

Resource Person: Prof. Ashok M Raichur

Prof. Ashok Raichur is a Professor in the Materials Engineering Department at IISc since 1997, with research expertise in nano drug delivery, tissue engineering, and nanoparticle-based photodynamic and photothermal therapies. He is a recipient of the prestigious Humboldt Fellowship and several state and central government awards. Prof. Raichur is a Fellow of INAE, NAS, and the Royal Society of Chemistry (UK). He currently holds the BIS Standardisation Chair at IISc and serves as the Secretary of the Karnataka State Council for Science and Technology.

For further details contact:

Dr. Prasada Chowdari Gurram, Convener, 9542188356

Dr. Manikanta Murahari, Co-Convener, 9619008212

Brochure is attached herewith.

All faculty members, Ph.D. scholars, and students of KL College of Pharmacy, Department of Biotechnology, and Department of Chemistry are encouraged to attend the session and benefit from this valuable learning opportunity.

REGISTRAR

Encl: as above

Mail & Hard copy to: Hon'ble President, KLEF

Mail to: Hon'ble Vice-Presidents, KLEF

Mail & Hard copy to: Hon'ble Pro Chancellor

Mail & Hard copy to: Hon'ble Vice-Chancellor

Mail & Hard copy to: Pro Vice-Chancellors

Mail to: Chief Coordinating Officer-Dr.A. Jagadeesh

Mail to: Special Officer -Dr.A. Vani

Mail to: All Advisors / All Deans / All Principals / All Vice-Principals / All Sr.Directors / All Directors / All Additional Deans

Mail to: Controller of Examinations-Dr.A.S.C.S.Sastry

Mail to: Joint Registrar / Deputy Registrar / Sr.Manager (Alumni Relations) & AR-Sri A.Krishna Rao / AR-Dr.MVAL Narasimha Rao

Mail to: All HoDs / All Alternate HoDs / All Deputy HoDs

Mail to: KL H - Principal Off Campus Centre, Aziz Nagar Campus / KL H - Principal Off Campus Centre, Bowrampet

Vice-Principal / Director / Deputy Director

Mail to: Chief Technical Officer (CTO)-Mr.A.Satya Kalyan

Mr. Raja Sekhar, Emp. No. 2482, Jr. Network Administrator (E-mail: rajasekhar_syte@kluniversity.in)

Mail to: Professor In-charge, EduTech, Animation-Dr. M. Siva Kumar, Assoc. Professor, ECE

Mail to: Principal-Academic Staff College

All Deans, Directors, Principals and HoDs

All Faculty members of Department of Mechanical Engineering

All Research Scholars

All Students of KL College of Pharmacy, Department of Biotechnology, and Department of Chemistry

Thanks & Regards

O/o REGISTRAR

One-Day Workshop under AICTE–DPS on the topic “Nanomaterials in Medicine: Present Status & Challenges”

Report

The Academic Staff College, in association with the Department of Biotechnology, Department of Chemistry and College of Pharmacy, conducted a one-day workshop under the **AICTE–Distinguished Professional Scheme (AICTE–DPS)** on **24-01-2026**. The workshop was delivered by **Prof. Ashok M. Raichur**, Professor of Materials Engineering, Indian Institute of Science (IISc), Bangalore. as the Resource Person. Prof. Raichur visited the campus and actively interacted with faculty members, research scholars, and students, making the session highly engaging and academically enriching.

Prof. Ashok Raichur is a Professor in the Materials Engineering Department at IISc since 1997, with research expertise in nano drug delivery, tissue engineering, and nanoparticle-based photodynamic and photothermal therapies. He is a recipient of the prestigious Humboldt Fellowship and several state and central government awards. Prof. Raichur is a Fellow of INAE, NAS, and the Royal Society of Chemistry (UK). He currently holds the BIS Standardisation Chair at IISc and serves as the Secretary of the Karnataka State Council for Science and Technology.

The workshop, titled “**Nanomaterials in Medicine: Present Status & Challenges**” was conducted in offline mode from 10:00 A.M. to 05:00 P.M. at Peacock hall. A total of 211 participants, comprising 180 students and 31 faculty from the Pharmacy, Biotechnology and Chemistry departments, participated in the program.

suitable materials, and surface functionalization strategies for targeted drug delivery and controlled release. The resource person highlighted key medical applications of nanomaterials in drug delivery systems, diagnostics, biosensing, and regenerative medicine. He also addressed critical challenges associated with nanomedicine, including biocompatibility, toxicity, large-scale manufacturing, stability, and regulatory approval processes. Prof. Raichur shared real-time research examples and case studies from ongoing projects at the Indian Institute of Science (IISc), Bangalore, illustrating the translational potential of nanotechnology from laboratory research to clinical applications. His address emphasized the importance of interdisciplinary collaboration and encouraged students and faculty members to pursue research, innovation, and collaborative projects in the field of nanomaterials and biomedical sciences.

He further highlighted the importance of understanding the interaction of nanomaterials with biological systems at the cellular and molecular levels, stressing the need for thorough in vitro and in vivo evaluations before clinical translation. Prof. Raichur emphasized ethical considerations and safety assessment as essential components in the development of nanomedicine. He also discussed emerging trends such as stimuli-responsive nanocarriers,

smart nanomaterials, and personalized nanomedicine, outlining their potential to revolutionize disease diagnosis and therapy. The address concluded with insights into future research directions, funding opportunities, and the scope for academia–industry collaboration in the field of nanotechnology. His talk inspired participants to adopt an innovative and research-oriented approach, reinforcing the role of nanomaterials in addressing current and future healthcare challenges.

The technical sessions focused on the current advances, translational potential, and challenges of nanomaterials in medical applications, including drug delivery systems, diagnostics, biosensing, and therapeutic interventions. Prof. Raichur elaborated on design strategies, material selection, surface functionalization, biocompatibility issues, and regulatory challenges associated with nanomedicine. Real-time examples from ongoing research at IISc provided valuable insights into interdisciplinary research and innovation. An interactive session was conducted wherein participants actively engaged with the resource person through questions, discussions, and academic interactions, particularly related to research opportunities, career pathways, and collaborative prospects. The interaction greatly motivated students and young faculty towards research in nanotechnology and biomedical sciences.

After the completion of the workshop, the resource person was felicitated by the Principal, Academic Staff College, Dr. Ch. Radhika Rani, Principal, College of Pharmacy, Dr. G. Chakravarthi and Dean-Quality, Dr. K. Rama Krishna.

The programme concluded with a valedictory session, and feedback was collected from the participants. Overall, the DPS lecture was highly successful, achieving its objectives of knowledge dissemination, academic interaction, and research orientation among students and faculty members.
