Subject: Conduction of an Orientation programme on “Enhancing Logical Intelligence for Academic Excellence” on 21st February 2026 by Academic Staff College, KLEF, Vaddeswaram – Communication – Reg.

Ref: KLEF/RO/ASC/Orientation Program/2025-26

Date : 14-02-2026

Orders of the Hon'ble Vice-Chancellor dt. 14-02-2026

CIRCULAR

Sub: Conduction of an Orientation programme on “**Enhancing Logical Intelligence for Academic Excellence**” on 21st February 2026 by Academic Staff College, KLEF, Vaddeswaram – Communication – Reg.

Ref: Letter dt. 13-02-2026 received from Dr. Radhika Rani Chintala, Principal, Academic Staff College, KLEF, Vaddeswaram campus.

This is to inform that the Academic Staff College, KLEF Vaddeswaram campus is organizing an Orientation programme on “**Enhancing Logical Intelligence for Academic Excellence**” for the faculty members, with the objective of enhancing logical reasoning, analytical thinking, and structured problem-solving abilities that play a crucial role in effective classroom delivery, research analysis, and academic decision-making.

The session will provide practical insights into logical intelligence and its application in academic and professional contexts, enabling participants to approach complex challenges with clarity, precision, and logical rigor.

Date: 21.02.2026 (Saturday)
Time: 3.30 PM to 5.30 PM
Venue: Sunflower Hall

Resource Person: Dr. K. Stephen Victor, Quant & Reasoning Dept.

All faculty members are directed to attend the programme and actively participate in this academic enrichment initiative.

All the Deans, Directors, Principals, and HoDs are hereby informed to ensure that this information is communicated to all faculty members of their respective departments.

Report on Orientation programme on “Enhancing Logical Intelligence for Academic Excellence”

Organized by: Academic Staff College.

Date: 21-02-2026

Time: 3:00 PM – 5:00 PM

Venue: Rose Hall, C-Block, KLEF

Resource Person:

Dr. Mr. K. Stephen Victor, Quant & Reasoning Dept., KLEF.

The Academic Staff College (ASC), KLEF, organized an Orientation Programme on “Enhancing Logical Intelligence for Academic Excellence” on 21 February 2026. The programme was designed to help participants understand the importance of logical thinking and reasoning skills in achieving academic success.

In today’s competitive academic environment, logical intelligence plays a key role in problem-solving, analytical thinking, decision-making, and effective learning. Recognizing this need, the Academic Staff College took the initiative to conduct this programme to strengthen the intellectual abilities of participants and enhance their academic performance.

Objectives of the Programme

- The orientation programme was conducted with the following objectives:
- To create awareness about the importance of logical intelligence in academics.
- To improve analytical and reasoning skills among participants.
- To provide practical techniques for solving logical and quantitative problems.
- To enhance confidence in tackling competitive and academic examinations.
- To develop structured thinking and decision-making abilities.

The programme began with a brief introduction to the theme and the resource person by Dr. Radhika Rani Chintala, Principal, Academic Staff College. The organizing team highlighted the significance of logical intelligence in various academic disciplines and competitive examinations.

The participants were encouraged to actively engage in the sessions and make the most of the opportunity to strengthen their reasoning skills.

The session was led by Mr. K. Stephen Victor, faculty member from the Quant & Reasoning Department. He began by explaining what logical intelligence means and how it influences academic excellence. He emphasized that logical thinking is not limited to mathematics but is essential in all fields of study, including science, engineering, management, and humanities.

He explained that logical intelligence involves:

Critical thinking, Pattern recognition, Analytical reasoning, Problem-solving ability and Structured approach to decision-making.

Mr. Stephen Victor highlighted that students who develop logical reasoning skills tend to perform better in examinations, competitive tests, interviews, and real-life problem-solving situations.

Session Highlights

1. Understanding Logical Intelligence

The resource person explained the concept of logical intelligence in a simple and relatable manner. He discussed how logical reasoning helps in understanding complex problems and finding systematic solutions. He also shared examples from competitive exams to demonstrate the practical relevance of logical thinking.

Participants were made aware of common mistakes students make while solving reasoning problems and how to avoid them through proper analysis.

2. Analytical Thinking Techniques

Mr. Stephen Victor introduced various techniques to improve analytical thinking, such as:

- Breaking down problems into smaller parts
- Identifying patterns and relationships
- Eliminating incorrect options logically
- Time management during problem-solving

He conducted small exercises and puzzles to help participants apply these techniques in real time. The interactive nature of the session kept the participants actively involved.

3. Quantitative and Logical Reasoning Practice

The resource person provided hands-on practice in solving reasoning and quantitative aptitude questions. He explained shortcuts, logical approaches, and systematic methods to solve problems quickly and accurately.

Participants were encouraged to attempt problems individually and then discuss the solutions collectively. This approach helped them understand different methods of solving the same problem.

4. Application in Academic Excellence

One of the key highlights of the session was the connection between logical intelligence and academic success. Mr. Stephen Victor explained how logical reasoning improves:

- Concept clarity
- Accuracy in problem-solving
- Confidence during examinations
- Performance in aptitude and placement tests

He emphasized that consistent practice and structured thinking are essential to strengthen logical abilities.

Participant Engagement

The programme was highly interactive. Participants actively responded to questions, attempted reasoning exercises, and clarified their doubts. The puzzles and problem-solving activities created an engaging learning environment.

The session encouraged participants to think critically rather than memorize solutions. Many participants expressed that the session helped them understand the importance of logic in everyday academic tasks.

Outcomes of the Programme

- The orientation programme resulted in:
- Improved awareness of logical intelligence and its importance.
- Enhanced confidence in solving reasoning problems.
- Better understanding of analytical techniques.

Motivation to practice logical and quantitative reasoning regularly.

Increased readiness for competitive and placement examinations.

Feedback and Response

Participants appreciated the practical and interactive approach adopted by the resource person. They found the session informative, engaging, and highly useful for their academic growth.

Many participants suggested conducting advanced workshops and practice sessions in the future to further strengthen their reasoning skills.

The Orientation Programme on “Enhancing Logical Intelligence for Academic Excellence” was successfully conducted by the Academic Staff College, KLEF, on 21 February 2026. The session effectively highlighted the importance of logical reasoning in academic and professional success.

Through practical demonstrations, interactive problem-solving, and clear explanation, Mr. K. Stephen Victor provided valuable insights into improving logical intelligence. The programme contributed meaningfully to the intellectual development of participants and reinforced the institution’s commitment to academic excellence and holistic growth.
