### *Academic Staff College*

14.03.2018 and 29 to 31.03.2018

#### Report on 13<sup>th</sup> Faculty Skill Enhancement Program – OBE

A 13<sup>th</sup> Faculty Skill Enhancement Program – OBE was organised by Academic staff College from 14.03.2018 and 29 to 31.03.2018 by Prof. Rama Patnaik, and Ms.Usha Rani, ASC for the faculty members of FED in Room No: F-207 from 2.00 to 5.00 pm for four days.

The objectives of the program: The members will be able to

1. Understand and analyse the dynamic classroom situations
2. Comprehend the theory of Multiple Intelligence
3. Learn how to align ALMs along with BTL in preparation of course handout
4. Understand the importance of aligning PEOs with SOs and Cos

On the first day Prof. Rama Patnaik has explained the members about the current situation of the students and present education system that urgently requires a paradigm shift. She also explained about Multiple Intelligence and its importance in understanding the students.

On the second day Ms.Usha Rani, ASC continued with the orientation program and explained the importance of understanding the learning styles of the students to have effective class room delivery. The participants were oriented about class room dynamics and facilitated with case study to understand and facilitate the students learning in class room.

On the third day the resource person continued with discussion on Blooms Taxonomy levels and how the lower order thinking skills and as well the higher order thinking skills can be taught to the students so that they understand the importance of self-learning.

On the fourth day the participants were lead through understanding of importance of OBE framework and as well the importance of PEOs, Pos/SOs and COs. The mapping of PEOs with Pos along with COs was explained. Later the participants were lead through the understanding of importance of ALMs and Assessment and evaluation methods.

The outcomes of the orientation program are

- The participants were able to understand the various learning styles of the students
- The participants were able to simplify the complex principles with analogies
- The participants were able to comprehend the BTL and ALMs in the preparation of course hand outs
- The participants were able to become aware of the PEOs of the university
