

The Academic Staff College organized a one day training programme on “writing effective research project proposal for funding” on 20th August 2021

The resource persons for this programme are Dr. P. Sanjeev Rao, research Advisor, KI University and Dr. Pradeep Kumar Brahman, Associate Dean, Research and development.

The resource persons talked about the research funding available through various government and private agencies/organizations. The resource persons explained about how to budget the proposals for funding properly. The programme has been useful to the participants in understanding how to make a proposal interesting and easily understandable, crisp and effective.

A One-day Faculty development Programme on
"Writing Effective Research Project Proposals for Funding/Grants"
on 20-08-2021 10 AM to 4 PM
