## HUMAN VALUES AND PROFESSIONAL ETHICS

**Dates** : 29.11.2018 & 30.11.2018

**Timings** : 10.00 A.M to 03.00 P.M

**Venue** : Sunflower Hall, KLEF

### OBJECTIVE

The objective of the course on Human Values and Professional Ethics is to instill in students a strong foundation of ethical principles, moral values, and professionalism that are essential for their personal development and success in their chosen professions. This course aims to cultivate ethical awareness, critical thinking, and decision-making skills among students, enabling them to navigate complex ethical dilemmas they may encounter in their careers. It seeks to promote a deep understanding of social responsibilities, respect for diversity, and the importance of integrity and accountability in professional life. Ultimately, the course aims to empower students to become ethical and socially responsible professionals who contribute positively to society while upholding the highest standards of moral and professional conduct.

### DESCRIPTION

Academic Staff College, **KL University** organised a two-day orientation programme on “Human Values and Professional Ethics” by **Ms. Usha Rani, Asst. Professor, ASC, KL University** for all vigilance personnel KLU from 29.11.2018 to 30.11.2018 in Sunflower Hall.

On the first day the resource person explained and outlined the human values and how they can be developed in day to-day life. She dealt with the following issues:

- Values are individual in nature.
- Values are comprised of personal concepts of responsibility, entitlement and respect.
- Values are shaped by personal experience, may change over the span of a lifetime and may be influenced by lessons learned.
- Values may vary according to an individual's cultural, ethnic and/or faith-based background.

The resource person also explained the importance of basic and fundamental values “Never change your core values.” This program concentrated on how to discern what is right for us and for the nature in context of human values principles specially in the present scenario of today's world, where we are, all the time harming self, society and nature only to have self prosperity.

In spite of all the change around you, decide upon what you will never change: your core values. Take your time to decide what they are but once you do, do not compromise on them for any reason. Integrity is one such value.

She dealt on second day the professional ethics. She explained the necessity of moral dilemma and moral autonomy. Professional includes moral integrity, professional responsibility, self respect and accountability.

## OUTCOME

The outcome of the course on Human Values and Professional Ethics is a cohort of students who graduate with a heightened ethical consciousness, strong moral values, and a deep understanding of professional integrity. They emerge with the ability to critically evaluate ethical issues, make principled decisions, and uphold the highest standards of ethical conduct in their personal and professional lives. Graduates of this course are not only well-prepared to navigate complex ethical dilemmas but also exhibit a commitment to social responsibility, inclusivity, and respect for diversity. They become ethical leaders and professionals who contribute positively to their respective fields, foster ethical cultures within organizations, and promote the betterment of society as a whole by exemplifying the principles of moral and professional ethics.
