CIRCULAR

Sub: Organizing Guest Lecture on "Introduction to Copyrights and Legal Issues" on 10-11-2018 - Reg.

Ref: Letter dated 06.11.2018 from Dr.B.Siva Nagaiah, Vice Principal, ASC approved and forwarded by Dr.V. Rajesh, Principal, Academic Staff College.

This is to inform that on initiation from IQAC the Academic Staff College will be organizing a guest lecture on "**Introduction to Copyrights and Legal Issues**" for the registered faculty members of KLEF on 10-11-2018.

The proposed lecture is in continuation of the previous workshop on '**Intellectual Property Rights**' organized by ASC on 04-08-2018.

The concept 'Copyrights or author's right' is a legal term used to describe the rights that creators have over their literary and artistic works. A copyright may or may not be available for a number of objects such as titles, slogans, or logos, depending on whether they contain sufficient authorship.

This lecture would encapsulate:-

1. Introduction to Copyrights
2. Jurisprudence of Right and Duty with reference to Copyrights
3. What is allowed and what is not allowed under copyright law?
4. What rights are conferred on copyright owner?
5. Copyrights in digital era.
6. Copyrights protection by Universities... do's and don'ts.

Details are as follows:

Resource Person : Dr. K. I. Pavan Kumar, Asst. Professor, Dept. LAW.

Date & Time : 10-11-2018 from 10.00 a.m. to 01.00 p.m.

Venue : Sunflower Hall

The faculty members are requested to attend the lecture.

"INTRODUCTION TO COPYRIGHT AND LEGAL ISSUES"

Date(s) : 10.11.2018
Time : 9:30 A.M to 4:30 P.M
Venue : KLEF

OBJECTIVE

The objective of the course "Introduction to Copyright and Legal Issues" is to provide students with a comprehensive understanding of the fundamental principles and legal aspects of copyright, intellectual property rights, and related legal issues. This course aims to equip students with the knowledge and skills necessary to navigate the complex landscape of intellectual property, copyright laws, and legal frameworks governing creative works, digital content, and innovation. It seeks to promote ethical practices in content creation and dissemination while enabling students to protect their own intellectual property and respect the rights of others. Ultimately, the course empowers students to become informed and responsible participants in the evolving digital and creative industries, fostering a culture of intellectual property awareness and compliance.

DESCRIPTION

A resource lecture on „Copyrights Law“, as part of lecture series on “Intellectual Property Rights” was organized by Academic staff College on 10.11.2018 by Dr. K. I. Pavan Kumar, Asst. Professor: KLEF College of Law, for the registered faculty members.

The resource person introduced the concept of copyrights, meaning and need for copyrights with reference to the Indian copyrights Act, 1958. The copyrights are given "to the expression", has been well explained by the speaker with appropriate examples. The "Doctrine of Fixation" and the Role of Registrar(s) in India in general and under Copyrights Act in particular was illustrated well. Interestingly on the issue of the legal position of the Registrar(s) in India, the speaker was asked many question by the participants, wherein he clarified all the doubts with lot of patience.

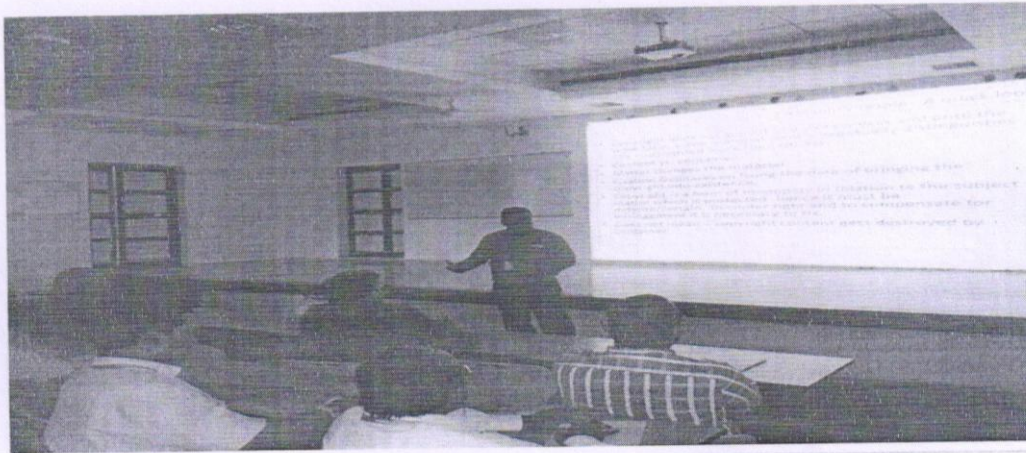

The resource person has gone in detail into the bundle of rights associated with authors/owners of copyrights under the law. To make the legal rights understandable to non- law participants the care that was taken by the speaker in choosing examples was really appreciable. Later the speaker explained concept of "Originality" in copyrights, Idea vs Expression, computer program and copyrights have been explained in detail.

Dr. V. Rajesh, Principal –ASC and Dr. B. Siva Nagaiah, Vice-Principal – ASC thanked the resource person for delivering the resource talk to the satisfaction of the participants. The participation certificates were distributed at the end of the programme.

OUTCOME

The outcome of the course "Introduction to Copyright and Legal Issues" is a group of students who graduate with a profound understanding of copyright and intellectual property laws. They leave the course with the ability to navigate legal complexities surrounding creative works, digital content, and innovation. Graduates exhibit heightened awareness of ethical content creation and dissemination practices and possess the knowledge to protect their intellectual property while respecting the rights of others. They become responsible and legally compliant creators and consumers in the digital age, contributing to the promotion of fair and ethical practices in the realms of intellectual property, copyright, and legal issues related to creative works and innovation.
