## **A Report on**

### **One day Workshop on “Academic Audit Procedures” 29.01.2019**

Internal Quality Assurance Cell in association with Academic Staff College had organised One day Workshop on “**Academic Audit Procedures**” by Dr. Avinash Keskar, VNIT, Nagpur on 29.01.2019 for Associate Deans Quality, Academic Coordinators Quality, Associate Dean Academics and Quality Circle In-charges monthly Report in Rose Hall.

The resource person explained the importance and the need for academic audit procedures. The Academic Audit, is a peer review process including a self-study and a site visit by peers from outside the institution. This process emphasizes self-reflection and self-improvement rather than compliance with predetermined standards. The purpose of an academic audit is to encourage departments or programs to evaluate their “education quality processes” – the key faculty activities required to produce, assure, and regularly improve the quality of teaching and learning. He spoke about the importance of the faculty approach educational decision making and how they organize their work, using the resources available to them and working collegially to provide a quality education in the best interests of the discipline and student learning.

Elements of the Academic Audit:

#### **The Self Study:**

- Determining Learning Objectives
- Designing Curriculum and Co-curriculum
- Designing Teaching and Learning Methods
- Developing Student Learning Assessment
- Assuring Implementation of Quality Education

#### **Principles of the Academic Audit:**

1. Define quality in terms of outcomes
2. Focus on process
3. Work collaboratively
4. Base decisions on evidence
5. Strive for coherence
6. Learn from best practice
7. Make continuous improvement a priority

**The workshop came to an end with the distribution of certificates to the participants.**
