21-06-21 To 22-06-2021

Academic Staff College of KLEF organized a **Orientation to Engineering Departments faculty on Reference Globe and LinkedIn.**

Reference Globe: 21st June 2021, 3PM: by Mr Nagendra, CEO Reference Globe

LinkedIn Learning: 22nd June, 3 PM, by Ms Ritu Pal, Development Head, LinkedIn Learning

An orientation session was conducted for faculty members of engineering departments at KLU Virtual Class, focusing on Reference Globe and LinkedIn Learning. The session aimed to equip faculty with tools and resources to enhance their professional development and teaching effectiveness.

Mr. Nagendra, CEO of Reference Globe, provided insights into utilizing Reference Globe as a platform for accessing diverse reference materials, scholarly articles, and research publications. Faculty were introduced to the features and functionalities of Reference Globe, emphasizing its utility in staying updated with the latest advancements and research in their respective fields.

Following this, Ms. Ritu Pal, Development Head at LinkedIn Learning, presented on leveraging LinkedIn Learning as a valuable resource for continuous learning and skill development. She demonstrated the various courses and learning paths available on LinkedIn Learning, tailored to meet the evolving needs of faculty in the engineering domain.

The session facilitated interactive discussions, allowing faculty members to address queries and explore specific areas of interest. Attendees gained a comprehensive understanding of how to leverage Reference Globe and LinkedIn Learning to enrich their teaching methodologies, stay abreast of industry trends, and foster continuous professional growth.
