

FREE SCRUM FUNDAMENTAL CERTIFIED WEBINAR AND CERTIFICATION

Organized by

Academic Staff College, KLEF

24-08-21 To 25-08-21

A free Scrum Fundamental Certified webinar and certification session was conducted by Scrum Study from August 24th to August 25th, 2021. The event aimed to provide participants with an understanding of Scrum principles and practices, leading to certification in Scrum Fundamentals.

Key Details:

- Organizer: Scrum Study
- Date: August 24th to August 25th, 2021
- Duration: Two days
- Audience: Participants interested in learning about Scrum methodologies and obtaining certification
- Format: Virtual webinar sessions followed by an online examination for certification

Session Highlights:

Introduction to Scrum: Covered the basic principles, values, and framework of Scrum methodology.

Scrum Roles and Responsibilities: Explained the roles of Scrum Master, Product Owner, and Development Team, along with their respective responsibilities.

Scrum Events: Discussed the various events in Scrum, including Sprint Planning, Daily Stand-ups, Sprint Review, and Sprint Retrospective.

Scrum Artifacts: Explored the artifacts such as Product Backlog, Sprint Backlog, and Increment.

Practical Insights: Shared practical examples and case studies to illustrate the application of Scrum in different contexts.

Certification Examination: Participants had the opportunity to take the online examination to obtain the Scrum Fundamental Certified (SFC) certification.

Outcome:

The webinar equipped participants with foundational knowledge of Scrum practices and principles, empowering them to apply Scrum methodologies in their projects effectively. Additionally, successful completion of the certification exam enabled participants to obtain the Scrum Fundamental Certified credential, validating their understanding of Scrum fundamentals.

Overall, the webinar and certification session proved to be a valuable opportunity for participants to enhance their professional skills and advance their careers in agile project management.
