

Orientation Program on SRP for all engineering faculty

Organized by

Academic Staff College, KLEF

25-04-2022 to 27-04-2022

An Orientation Program on Student-Centric Pedagogy (SRP) commenced from April 25th to April 27th, 2022, targeting all engineering faculty members. The program continued from 3:30 PM this evening. The session featured esteemed speakers addressing various aspects of innovative pedagogical practices.

Program Details:

Venue : Peacock Hall for all days of orientation

25/04/2022: 10.00 AM : Address by Hon'ble Vice Chancellor

25/04/2022: 10:30 AM : Procedures of SRP - Academic related: Dr K Tirupathi Rao,

Additional Dean (Academics)

25/04/2022: 11.00 AM : Skilling and OBR aspects to be considered in SRP: Dr A Srinath

Dean-Skill Development, Student Progression & Principal, Academic Staff College.

25/04/2022: 03.30 PM : Dean Academics- Flipped Learning.

26/04/2022: 03.30 PM : Mr. P. Sai Vijay - Informal Learning

27/04/2022: 03.30 PM : Mr.C. Shanath Kumar: E- Content Development for Flipped Learning

The event commenced with an address by the Hon'ble Vice Chancellor, emphasizing the significance of student-centered approaches in modern education. Following this, Dean Academics delved into the concept of Flipped Learning, elucidating its principles and benefits in fostering student engagement and active learning.

Mr. P. Sai Vijay shared insights on Informal Learning, highlighting its role in supplementing formal education and promoting continuous self-improvement among students. Finally, Mr. C. Shanath Kumar discussed E-Content Development specifically tailored for Flipped Learning environments, emphasizing the creation of interactive and engaging materials to enhance student comprehension and retention.

The Orientation Programme serves as a pivotal platform for equipping engineering faculty members with innovative teaching methodologies to enhance student learning outcomes and foster a conducive learning environment. With sessions covering diverse aspects of pedagogy, participants are poised to incorporate novel approaches into their teaching practices, thereby enriching the educational experience for students.

Dr A Srinath

Principal – Academic Staff College

This is to certify that

DR.S ROOBAN

Has participated in the

Three-days Faculty Development Program on

Orientation Program on SRP for all engineering faculty

During **25-04-2022 to 27-04-2022**

Principal
