

## **Virtual Orientation Program on Technology Enhanced Learning**

**Organized by  
Academic Staff College, KLEF**

---

**04-03-2022**

Academic Staff College of KLEF organized Virtual Orientation Program on Technology Enhanced Learning for all the faculty members of Vaddeswaram and Hyderabad campuses of KLEF.

**Resource Person:** Associate Professor Michael A Cowling, CQ University, Australia

Date : 04.03.2022 (Friday)

Timings : 12:00 Noon to 01.30 P.M.

Virtual Orientation Program centered around "Technology Enhanced Learning" for all faculty members. The session aimed to equip educators with innovative approaches and digital tools to enrich teaching and learning experiences. Renowned as "Professor Tech," Associate Professor Michael A Cowling from CQ University, Australia, served as the resource person, renowned for his expertise in training thousands of professors and teachers globally.

During the program, Professor Tech delivered a captivating keynote address, underscoring the pivotal role of technology in modern education and its potential to revolutionize pedagogical practices. These sessions fostered a dynamic learning environment, empowering educators to leverage technology effectively to engage students and drive learning outcomes.

As a result of the Virtual Orientation Program, faculty members departed equipped with valuable insights, practical skills, and newfound enthusiasm for integrating technology into their teaching practices. The program underscored KLEF's commitment to delivering high-quality education through innovative pedagogical approaches and future-ready learning environments. By embracing technology-enhanced learning, KLEF continues to advance its mission of fostering excellence in education and preparing students for success in the digital age.

Dr A Srinath  
Principal – Academic Staff College
