OBJECTIVE

The objectives of organizing an inter-collegiate girls' fest on the theme "Women in leadership: Achieving an equal future in a COVID-19 world" are to inspire and empower female students to pursue leadership roles by showcasing successful women leaders as role models, to highlight the unique challenges and opportunities that women in leadership face in the context of the COVID-19 pandemic, to foster discussions and solutions for advancing gender equality in leadership positions, to promote skills development and networking among participants, and to encourage collaborative efforts among colleges in recognizing and addressing the gender disparities exacerbated by the pandemic, ultimately paving the way for a more equitable and inclusive future where women play a central role in leadership and decision-making

DESCRIPTION

International Women's Day is celebrated every year on March 8th. Women across the nation come together crossing all the boundaries from various cultural and ethnic groups to remember their struggle for peace, justice, equality, and development. International Women's Day is all about feeling self-worth and achieving the goals as per the potential. A Woman is somebody who claims she is not afraid of anything, looking forward to challenges each day. Women of strength show courage amid fear, declaring triumph through faith and courage. To showcase this, KLEF Women's Forum successfully conducted FEMFLARE – India's largest girls fest. The program is inaugurated on 8th March, 2021 at 9:30AM in the Auditorium by the honorable Chief guest, Dr. Prathista Pandey and our Registrar Dr. YVSSSV Prasada Rao. Welcome note was given by Mrs. Lalitha, Professor, Convener, Women's forum. Our faculty co-ordinators, Mrs. Naga Malleswari, Asst. Professor, CSE; Mrs. Sony, Asst. Professor, ECE. I raise up my voice, not so that I can shout, but so that those without a voice can be heard. We cannot all succeed when half of us is held back – we students of KLEF strongly believe in empowerment and self-motivating women. A Woman is somebody who claims she is not afraid of anything, looking forward to challenges each day. Women of strength show courage amid fear, declaring triumph through faith and courage. Women empowerment came in like a breath of fresh air. It made them aware of their rights and how they must make their own place in society rather than depending on a man. It recognized the fact that things cannot simply work in someone's favor because of their gender. However, we still have a long way to go when we talk about the

reasons why we need it. There are various ways in how one can empower women. The individuals and government must both come together to make it happen. Education for girls must be made compulsory so that women can become illiterate to make a life for themselves. Women must be given equal opportunities in every field, irrespective of gender. Moreover, they must also be given equal pay.

Spot Events for Faculty that place on 6th March, 2021

Faculty were having utmost fun while playing a few games that were set up by our students. This helped them relieve the stress of that day, since it might have been a long time playing a games. Faculty were very thankful for the Team FEMFLARE for organizing these spot events.

Next day on 9th March, 2021, The day started off with a few other competitions for students, but this time it is cultural competitions. To show case the art in themselves, students participated in these competitions with much freshness of the day and enthusiasm.
