### **SEMINAR ON “AWARENESS ON SUPERSTITIOUS BELIEFS.”**

**DATE: 23/09/2023**

**TIME: 10:00 AM**

**VENUE: KLEF**

#### **OBJECTIVES:**

The seminar on Awareness on Superstitious Beliefs, conducted at KL University on September 23, 2023, aimed to educate participants about the detrimental effects of superstitions and promote critical thinking. Organized by Mrs. N. Sri Lakshmi and featuring T. Vijaya from Vasavasavya Mahila Mandali as the resource person, the event sought to dispel common superstitions and encourage a scientific mindset among the 62 participants. The objectives included raising awareness about the origins and impacts of superstitious beliefs, providing evidence-based information to challenge these beliefs, and equipping the four faculty members and five volunteers with the knowledge to further educate others and foster a rational approach to such issues within the university community.

#### **DESCRIPTION:**

The program was conducted on 13th October 2023 at Jasmine Hall, KLEF, with 123 participants and 10 faculty members in attendance. The event featured Mr. G. Niyanta, Director of Gora Science Centre, Vijayawada, as the resource person. His session highlighted the prevalence of superstitions in society, their roots in cultural practices, and their detrimental effects on scientific progress and rational thinking. The talk emphasized the importance of challenging false beliefs using evidence-based reasoning and critical inquiry. Participants engaged in discussions, raising questions about common superstitions and exploring ways to address them through education and awareness.

#### **OUTCOMES:**

The 62 participants, along with four faculty members and five volunteers, developed a deeper understanding of the origins and impacts of superstitious beliefs. The event successfully challenged many preconceived notions, encouraging attendees to adopt a more scientific and rational approach in their thinking. Faculty members and volunteers gained valuable insights and strategies to further educate others and promote critical thinking within the university. Overall, the seminar fostered a more informed community that is better equipped to recognize and dispel superstitions.
