SEMINAR ON “TRAINING ON DIGITAL APP- CYBER ALERT.”

DATE: 19/10/2023

TIME: 10:00 AM

VENUE: KLEF

OBJECTIVES:

The seminar on "Training on Digital App - Cyber Alert," held on October 19, 2023, for KLEF faculty and students and organized by Dr. K. Sony, aimed to achieve several objectives. These included educating participants about cybersecurity threats and risks associated with digital platforms, providing hands-on training on using the Cyber Alert app for real-time threat detection and mitigation, enhancing participants' awareness of safe online practices, and equipping them with practical skills to protect personal and organizational data from cyberattacks. M. Sai Satish, CEO of Indian Servers, led the session, focusing on empowering attendees to be vigilant and proactive in safeguarding digital assets and promoting a secure digital environment.

DESCRIPTION:

The session provided comprehensive training on cybersecurity fundamentals, focusing on the utilization of the Cyber Alert app for detecting and managing digital threats in real-time. Attendees learned practical techniques for enhancing their digital security posture, including identifying phishing attempts, securing personal data, and responding to cyber incidents effectively. The seminar aimed to empower participants with actionable knowledge and skills to navigate the digital landscape safely, promoting a proactive approach to cybersecurity awareness and readiness among the university community.

OUTCOMES:

The session successfully enhanced participants' understanding of cybersecurity threats and equipped them with practical skills in using the Cyber Alert app for threat detection and mitigation. Attendees reported increased awareness of digital security practices, including safeguarding personal and organizational data, identifying phishing attempts, and responding to cyber incidents promptly. The seminar fostered a proactive approach to cybersecurity among participants, promoting a safer digital environment within the university community. Participants expressed confidence in applying their newfound knowledge to protect themselves and their institutions from cyber threats effectively.
