### Awareness Program on “Gender Sensitization – Awareness Program”

**Date:** 07/02/2024 (Wednesday)

**Timings:** From 10:00 AM

**Venue:** KLEF

#### OBJECTIVES:

The primary objective of the **Gender Sensitization - Awareness Program** is to educate students and faculty members on the importance of gender equality, raise awareness about gender-related issues, and encourage respectful and inclusive behavior within the academic environment. This program aims to address and challenge gender stereotypes and biases, promote understanding of gender diversity, and foster an environment where all individuals are treated with respect, fairness, and dignity. By the end of the session, participants will be equipped with the knowledge and tools to advocate for gender-sensitive practices both inside and outside the academic community.

#### DESCRIPTION:

The **Gender Sensitization - Awareness Program** is being organized by the Women Development Cell (WDC) at KLEF as part of its ongoing efforts to create an inclusive, safe, and supportive environment for all students and staff. The session will be led by **Ms. R. Chandini Chowdary**, Assistant Professor, Department of Law, KLEF. Ms. Chandini Chowdary will present on various aspects of gender sensitization, including the identification and deconstruction of gender stereotypes, the impact of social norms on gender equality, and the importance of creating an inclusive and respectful academic space for everyone. Through interactive discussions, case studies, and real-life examples, participants will gain a deeper understanding of gender issues and how to address them effectively in their daily interactions and professional lives.

#### OUTCOMES:

By the end of the program, participants will have gained critical insights into gender dynamics and how they affect academic and workplace environments. Attendees will be empowered to challenge stereotypes, recognize and address unconscious biases, and contribute to the creation of an inclusive culture that values diversity and promotes gender equality. Furthermore, the program will encourage self-reflection and dialogue about how gender roles shape individual experiences, equipping participants with the tools to act as change agents in fostering a supportive environment that promotes equal rights for all. The session will also create a platform for continuous learning and discussions around gender sensitivity beyond the event itself.
