SEMINAR ON LEGAL RIGHTS FOR WOMEN

Date : 30/07/2023
Time : 10:00 A.M to 11.00 A.M
Venue : Jasmine Hall, KLEF

OBJECTIVES

The primary objective of organizing a seminar on legal rights for women is to empower women with comprehensive knowledge of their legal rights and responsibilities within society. This seminar aims to provide women with a deeper understanding of laws related to gender equality, domestic violence, workplace discrimination, property rights, and other pertinent legal issues. It seeks to raise awareness about available legal protections and avenues for recourse in case of rights violations. Additionally, the seminar aims to foster a sense of confidence and selfadvocacy among women, enabling them to assert their rights effectively and engage in informed decision-making. Ultimately, this seminar aspires to contribute to a more just and equitable society by equipping women with the legal literacy necessary to protect their rights and achieve equality in various aspects of their lives.

DESCRIPTION

KLEF Women's Forum organized a seminar on the topic of "Legal Rights for Women". Mrs. Nirmal Geethamba spoke on the precautions to be taken by the women to deal with the sexual harassment and how to lodge a complaint with the police in case of any problem. She has created awareness on different issues related to women protection.

The seminar on legal rights for women, held recently, was a significant step toward promoting gender equality and empowering women with knowledge of their legal rights. The event featured expert speakers who provided comprehensive insights into various aspects of women's legal rights, including gender-based discrimination, domestic violence, property rights, and workplace equity. Attendees, including women from diverse backgrounds, gained a deeper understanding of their legal protections and resources available to them. The seminar not only informed but also inspired participants to advocate for their rights and contribute to a more just society. The discussions were engaging, and the event provided a platform for networking and community-building among women seeking to assert their legal rights. Overall, the seminar

was instrumental in equipping women with the tools and knowledge needed to navigate the legal landscape and assert their rights effectively, fostering a stronger and more empowered female community.

OUTCOMES

The outcomes of organizing a seminar on legal rights for women are far-reaching. Firstly, it empowers women with knowledge, enabling them to make informed decisions about their legal rights and access available resources for protection. Secondly, it may foster a culture of gender equality and respect for women's rights within communities, workplaces, and homes. Thirdly, the seminar can inspire women to become advocates for their own rights and for the rights of others, contributing to positive societal change. Additionally, it can lead to increased reporting and addressing of gender-based injustices, ultimately reducing discrimination and violence against women. In sum, these outcomes collectively work towards a society where women enjoy equal protection under the law, increased opportunities, and an improved quality of life.
