WEBINAR ON GENDER EQUITY & SENSITIVITY

Date: 25/05/2021

Time: 10:00 A.M to 11.00 A.M

Venue: Virtual Mode, KLEF

OBJECTIVES

The primary objective of hosting a webinar on gender equity and sensitivity for women and girls is to empower and educate them on crucial issues related to gender equality, fostering awareness, understanding, and advocacy. This initiative aims to provide a platform for women and girls to learn about their rights, promote self-confidence, and encourage leadership skills, ultimately equipping them to navigate societal challenges and discrimination. By addressing these topics, the webinar seeks to promote a more equitable and inclusive society where women and girls can thrive, participate fully in all aspects of life, and contribute to positive social change.

DESCRIPTION

Education plays a crucial role in promoting the egalitarian commitments of Equality and Justice enshrined in the Constitution of India. The University Grants Commission (UGC) fully recognizes how integral such education, and especially access to higher learning, is for all to reach their fullest potential, and more especially for the disadvantaged and the marginalized groups, including women.

Promoting equity through higher education has always been at the very heart of the agenda of the UGC and reflects its commitment to nurture and preserve democracy within spaces of learning. Some special efforts were still needed to create a more conducive environment for girls and women for their participation and success in higher education.

Resource Person: **Dr. Saraswati Raju Iyer**, ANU EXECUTIVE COUNCIL MEMBER,
DIRECTOR-IQAC CELL, ACHARYA NAGARJUNA UNIVERSITY.

OUTCOMES

The outcomes of organizing a webinar on gender equity and sensitivity for women and girls are multifaceted. Firstly, it can lead to increased awareness and knowledge among participants, equipping them with the tools to recognize and combat gender-based discrimination. Secondly, it may foster a supportive network where women and girls can share experiences and solutions, promoting a sense of unity and empowerment. Thirdly, the webinar can inspire concrete actions and advocacy efforts aimed at challenging gender inequalities in various spheres of life. Ultimately, these outcomes contribute to a more equitable and inclusive society, where women and girls can thrive, contribute fully to their communities, and help dismantle barriers to gender equality.
