AWARENESS PROGRAM ON SKIN CARE

Date : 26/07/2018
Time : 11:30 A.M to 3:00 P.M
Venue : Rose Hall, KLEF

OBJECTIVES

The primary objective of organizing an awareness program on skin care is to educate participants about the importance of maintaining healthy skin and to equip them with knowledge and practical tips for effective skin care routines. This program aims to raise awareness about common skin issues, sun protection, skincare products, and the significance of early detection of skin conditions. By achieving these objectives, the program seeks to empower individuals to make informed choices about their skincare, promote self confidence, and enhance overall skin health, ultimately contributing to a community that prioritizes and enjoys the benefits of proper skin care practices.

DESCRIPTION

KLEF Women's Forum organized a health awareness program on skin care on 26.07.2018 from 11:30 A.M to 3:00 P.M Pasupuleti Praveena , dermatologist is the resource person. She addressed the crowd and gave advices, Suggestions, precautions & remedies for the frequent occurring problems of skin and hair for girls . She also spoke about the causes and reasons for the occurrence of problems. The recently organized awareness program on skin care was a resounding success. The program aimed to educate participants about the importance of proper skin care practices and garnered enthusiastic participation from diverse demographics. Attendees gained valuable insights into skincare routines, the significance of sun protection, early detection of skin conditions, and the selection of suitable skincare products. Experts in dermatology and skincare conducted informative sessions, addressing various skin-related concerns and offering practical tips. Through interactive workshops and open discussions, participants actively engaged in the program, fostering a culture of self-care and promoting body positivity. Overall, the program not only achieved its objectives of enhancing knowledge about skincare but also contributed to a community with heightened awareness, improved skin health, reduced health risks, and increased self-confidence.

OUTCOMES

The outcomes of organizing an awareness program on skin care are multifaceted. Firstly, participants gain a deeper understanding of proper skin care practices, potentially leading to healthier and more radiant skin. Secondly, increased awareness about sun protection and early detection of skin conditions may reduce the risk of skin damage and serious health issues. Thirdly, the program fosters a culture of self-care and body positivity, promoting higher self-esteem and well-being among participants. Ultimately, these outcomes contribute to a community with improved skin health, reduced health risks, and a heightened sense of confidence and self-care.
