### **AWARENESS PROGRAM ON LEGAL RIGHTS FOR WOMEN**

**Date** : 09/02/2019  
**Time** : 3.30 p.m. to 4.45 p.m  
**Venue** : Jasmine Hall, KLEF

#### **OBJECTIVES**

These objectives are pursued through legislative reforms, advocacy campaigns, public education, and the establishment of governmental and non-governmental entities dedicated to advancing women's rights and gender equality. The specific strategies and focus areas may vary based on the unique legal and cultural contexts of different regions and countries.

#### **DESCRIPTION**

The program started with a welcome note by Dr M. Sreedevi, Coordinator Women's Forum, K L E F she introduced the resource person. Mrs: Radhika, Judicial Officer, Guntur District to the gathering. Mrs: Radhika started and she told that violation of women's fundamental rights through physical, mental, emotional, and sexual violence against women has become almost commonplace in the Indian context. With the current state of affairs, it is extremely essential for us to be vigilant and aware of the rights and duties that the law of the land make available to us. Most women aren't aware of women's rights in India and other times their legal rights are not protected as they should be, Mrs: Radhika told Some Tips to students Regarding Legal Rights to Women.

#### **Legal Rights to Women:**

The following various legislation's contains several rights and safeguards for women:

- Right to Dignity And Decency
- Right against Harassment At Work
- Right against Domestic Violence
- Right to Free Legal Aid
- Right not to be Arrested At Night
- Right to register their Complaint Virtually
- Right against Indecent Representation
- Right against Maternity Benefit

In this situation she told a beautiful quotation “A woman with a voice is, by definition, a strong woman.” - Melinda Gates. Women need to own up to their power and know their rights. No longer should you take oppression, no longer should you take the harassment, as she says "I love to see a young girl go out and grab the world by the lapels.

## OUTCOMES

Legal rights for women have had far-reaching and positive outcomes, leading to greater gender equality, reduced discrimination and violence, increased empowerment, and improved societal attitudes. These outcomes not only benefit women but also contribute to the overall well-being and progress of communities and nations.
