Objective:

In order to raise awareness and educate the community about skin care, the KLEF_YRC team conducted a rally on World Immunization Day Awareness Program at Narakoduru village on 14.04.2025.

Description:

The Youth Red Cross (YRC) students of Koneru Lakshmaiah Education Foundation (KLEF) organized a World Immunization Day Awareness Program in Narakoduru village as part of their outreach community initiative. The initiative focused on educating the local population about vaccine-preventable diseases, immunization schedules, and the importance of timely vaccinations for children, adolescents, and adults.

Program Highlights:

Educational Session: Students conducted sessions explaining the concept of immunization, how vaccines work, and myths vs. facts about vaccination.

Door-to-Door Campaign: YRC volunteers visited households to promote immunization awareness and distributed vaccination schedule charts to families with children.

Pamphlet Distribution: Leaflets in Telugu were handed out, highlighting key vaccines like BCG, OPV, DPT, Hepatitis B, MMR, and COVID-19.

Q&A Session: Residents interacted with volunteers, raising concerns about side effects and vaccine hesitancy, which were addressed with scientific information.

Community Engagement: Involvement of local health workers helped build trust and clarify the role of government immunization programs.

The YRC-KLEF students of I Pharm. D successfully engaged with the local population, promoting health literacy and preventive care. The initiative was well received, strengthening the university's commitment to social responsibility and community well-being.

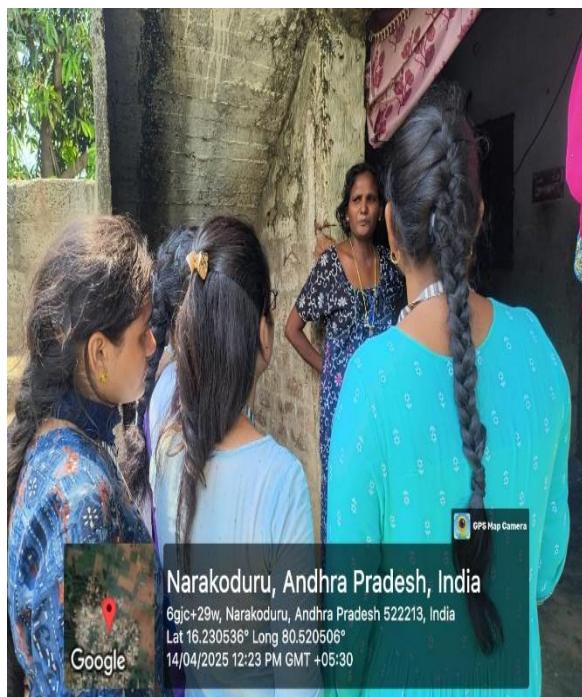

Procedure of the Event:

1. The KLEF_YRC team arrived at Narakoduru village at around 10 am.
2. Opening remarks included the significance of World Immunization Day.
3. Organized by the YRC volunteers from KL University, Narakoduru village Panchayat in collaboration with local citizens.
4. Volunteers shared real-life stories of disease prevention through vaccines.
5. Conclusion included feedback collection and expression of gratitude by the villagers.

Outcome of the event:

1. The program successfully educated over 300 people about the benefits of immunization.
2. Several families showed interest in following up on missed vaccinations for their children.
3. The event promoted health responsibility and vaccine confidence among the community.
4. The enthusiasm and professionalism of the YRC volunteers were appreciated by the villagers and local health The event successfully raised awareness about the skin diseases among the Community.
5. The KLEF_YRC team effectively organized the program, ensuring that the main objective of creating awareness was achieved.
