### **Details of the Program:**

K L College of Pharmacy, in association with **YRC–KLEF and CIIE**, organized an awareness session titled “**OncoAware**” on **18th February 2026** at **Rose Hall, KLEF, Vaddeswaram campus**. The program was conducted from **11:00 AM to 12:30 PM** with the objective of increasing awareness and understanding of cancer among pharmacy students.

The guest speaker, **Dr. K. Sai Krishna, Medical Oncologist from American Oncology Institute, Kanuru, Vijayawada**, delivered an informative session focusing on cancer awareness, early detection, preventive strategies, and available treatment options. The lecture emphasized the importance of early diagnosis, lifestyle modifications, and advancements in oncology that contribute to improved patient outcomes. The speaker also highlighted the role of healthcare professionals, particularly pharmacists, in spreading awareness and supporting cancer patients through proper guidance and care.

Students actively participated in the session and interacted with the resource person by asking insightful questions regarding cancer prevention, screening methods, and emerging treatment approaches. The session served as an important platform for students to broaden their understanding of oncology and the significance of early intervention in reducing cancer burden.

The awareness program was highly informative and encouraged students to play an active role in promoting cancer awareness and supporting public health initiatives related to cancer prevention and care.
