## Koneru Lakshmaiah Education Foundation

(Category -1, Deemed to be University estd. u/s. 3 of the UGC Act, 1956)

❖ Approved by AICTE ❖ ISO 21001:2018 Certified

**Campus:** Green Fields, Vaddeswaram - 522 302, Guntur District, Andhra Pradesh, INDIA.

Phone No. +91 8645 - 350 200; [www.klef.ac.in](http://www.klef.ac.in); [www.klef.edu.in](http://www.klef.edu.in); [www.kluniversity.in](http://www.kluniversity.in)

**Admin Off:** 29-36-38, Museum Road, Governorpet, Vijayawada - 520 002. Ph: +91 - 866 - 3500122, 2576129

### **Objective:**

The primary objective of a blood donation camp is to ensure the availability of safe and adequate blood for patients in need, including those undergoing surgeries, trauma care, and treatment for chronic illnesses. The camp also aims to create awareness about the importance of voluntary blood donation, promote social responsibility, and encourage healthy individuals to donate blood regularly, thereby strengthening community participation in lifesaving healthcare initiatives.

### **Procedure of the Event**

1. The VKR Blood Centre, Vijayawada and Government General Hospital, Tenali, team arrived in the KLEF (SAC Hall) at 09:00 AM.
2. They commenced the event by explaining the importance and purpose of blood donation to the students & Staff.
3. Students from different branches actively participated and donated blood in the camp.
4. The organizing team conducted various blood tests (BMI, Blood grouping, Hemoglobin) before the donation to check eligibility to donate.
5. The organizing team measured the weight of each participant before the donation.

### **Outcome of the event:**

The blood donation camp was successfully conducted with active participation from volunteers, students, and staff. A significant number of units of safe blood were collected, contributing to local blood bank reserves and helping meet emergency and routine transfusion needs. The event also increased awareness about voluntary blood donation, fostered a sense of social responsibility, and motivated first-time donors to continue donating blood regularly in the future.

The event created a positive impact by strengthening collaboration between healthcare professionals, blood bank staff, and the community. Donors were educated about the benefits of regular blood donation and safe donation practices, which helped dispel common myths and fears. Overall, the camp fostered a culture of compassion and service, laying the groundwork for sustained participation in future blood donation and health awareness programs.

Name of the Event: BLOOD DONATION CAMP.
