Email: nandhanasupriya@gmail.com
Mobile No.: 8367541364

All Faculty, Staff, and Students are encouraged to participate in the program and benefit from the awareness activities.

HoDs/Functionaries are requested to bring this information to the notice of all Faculty, Staff, and Students of their respective departments and encourage their active participation in the program

REGISTRAR

Objective:

The objective of the "Nourish to Flourish: World Food Day Awareness Program" is to promote awareness about the importance of balanced nutrition, healthy eating habits, and food security among the community. The program aims to educate participants about nutritious food choices, the benefits of a balanced diet, and the role of proper nutrition in preventing nutritional deficiencies and improving overall health. It also seeks to encourage sustainable and safe food practices, promote healthy lifestyles, and foster community awareness about the importance of accessible and nutritious food for all

Procedure of the event

1. The Nourish to Flourish: World Food Day Awareness Program was organized by Youth Red Cross (YRC), KLEF, on 6th October 2026, from 10:00 AM to 4:00 PM at Guntupalli.

2. The program focused on creating awareness about the importance of balanced nutrition, healthy eating habits, nutritious food choices, and the role of proper nutrition in maintaining good health.

3. The event included nutrition awareness sessions, interactive discussions on balanced diets, guidance on healthy food choices, food and nutrition tips, and awareness of sustainable and safe food practices.

4. The program was coordinated by Dr. R. Supriya, Assistant Professor, College of Pharmacy, and YRC Professor-in-Charge, KLEF.

5. The initiative aimed to promote nutritional awareness, encourage healthy lifestyle practices, prevent nutritional deficiencies, and emphasize the importance of accessible, nutritious, and safe food for all.

Outcome of the Event:

The Nourish to Flourish: World Food Day Awareness Program successfully promoted awareness about the importance of balanced nutrition, healthy eating habits, and proper dietary practices among the participants. The program helped participants understand the benefits of nutritious food choices, the role of a balanced diet in maintaining good health, and the importance of preventing nutritional deficiencies. The awareness sessions and interactive discussions encouraged participants to adopt healthier lifestyle practices and make informed food choices. Overall, the initiative contributed to improving nutritional awareness, promoting sustainable and safe food practices, and encouraging healthier communities through proper nutrition and preventive healthcare.
