Details of the Event:

Name of the Event : Free Comprehensive Eye check up camp

Date of the Event : 06-11-2026

Venue of the Event : Indoor Stadium, KLEF

No. of Hours : 12:00 PM To 04: 00 PM

No. of Beneficiaries : 61

Objective:

The objective of the Free Comprehensive Eye Check-up Camp is to promote awareness about eye health and the importance of regular eye examinations among the community. The program aims to facilitate early detection of vision problems and eye disorders through comprehensive eye screening, provide random blood sugar (RBS) and blood pressure (BP) checks, and educate participants about the relationship between diabetes, hypertension, and eye health. It also seeks to encourage preventive healthcare, promote early diagnosis, and emphasize the importance of timely medical consultation and appropriate treatment to prevent vision-related complications and improve overall health.

Procedure of the event

The Free Comprehensive Eye Check-up Camp was organized by Youth Red Cross (YRC), KL University, in association with Dr. Agarwals Eye Hospital, on 6th November 2026, from 12:00 PM to 4:00 PM at the Indoor Stadium, KLEF.

1. The program commenced with the registration of participants and an introductory session highlighting the importance of eye health and preventive healthcare.

2. Eye care professionals from Dr. Agarwals Eye Hospital conducted comprehensive eye examinations to assess participants' vision and identify potential eye-related problems.

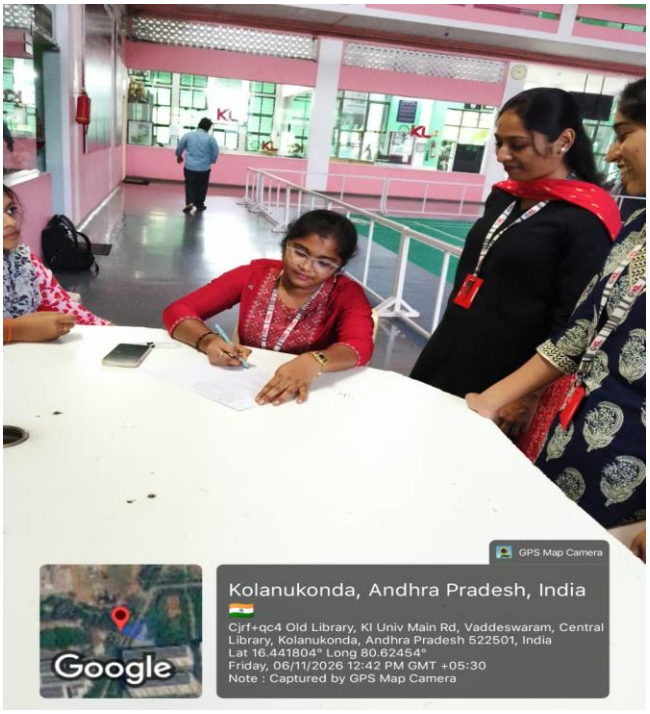

3. Random Blood Sugar (RBS) testing and Blood Pressure (BP) measurements were conducted to identify potential health concerns and emphasize the relationship between diabetes, hypertension, and eye health.

4. Participants were provided with guidance regarding eye care, healthy lifestyle practices, the importance of regular eye examinations, and the need for timely medical consultation and treatment.

5. The program concluded with a discussion on preventive eye care and a vote of thanks to the medical team, organizers, and participants for their valuable contribution to the successful conduct of the camp.

Outcomes of the event

The Free Comprehensive Eye Check-up Camp successfully promoted awareness about eye health and the importance of regular eye examinations among the participants. The camp provided an opportunity for early identification of potential vision problems and eye-related conditions through comprehensive eye screening. Random Blood Sugar (RBS) and Blood Pressure (BP) checks helped participants understand the importance of monitoring these health parameters and their association with eye complications. The medical team provided valuable guidance on preventive eye care, healthy lifestyle practices, and timely medical consultation. Overall, the initiative contributed to improving health awareness, encouraging preventive healthcare, and promoting early detection and management of eye-related and associated health conditions.
